Re: North Creek Board Report
Date: February 9th, 2026

Dear Members of the Chelsea Board of Education,

January and early February continue to be months highlighted by growth, connection, and engagement at North Creek Elementary.

Throughout January, staff focused on Social-Emotional Learning, mid-year reading and math assessments, and high-quality daily instruction. These assessments, along with other key data points, are helping guide instructional decisions and ensure that we are meeting the academic and social-emotional needs of all learners.

In addition, our committees have been doing thoughtful and impactful work—particularly within our Multi-Tiered System of Support (MTSS). This collaborative work is positively influencing instruction and intervention at both the classroom and individual student level. I would like to extend a sincere bravo to our MTSS team for their dedication, reflection, and continued commitment to supporting students.

Thank you for your ongoing support of North Creek Elementary and for your continued commitment to our school community. We are excited about the month ahead and the opportunities it brings.

Take care,

Casey Wescott
Principal, North Creek Elementary
