

COMMUNICATIONS TO AND FROM THE BOARD

The Board recognizes that appropriate communication procedures must be adhered to when communicating among Board members, and between Board members, district administration, and members of the public. Public communication by the Board should reflect positively on the district and serve the community by keeping it informed about the goals, programs, and achievements of the district and its schools.

Staff members, parents, and community members should submit questions or communications to the School Board through the Superintendent. Board members' questions or communications to staff or about programs will be channeled through the Superintendent's office. If contacted individually, Board members will refer the person to the appropriate channel of authority, except in unusual situations. ~~The Board recognizes the need for ongoing communication between all District stakeholders. Members of the Board individually will refer compliments, suggestions and constructive criticism about operational matters directly to the Superintendent or designee for appropriate consideration and action. Actual directives to conduct business should not take place outside of a regularly scheduled Board meeting.~~ Board members will not take private action that might compromise the Board or administration.

(cf. 9200 – Board Members)
