# LCSD Board Goals

---

Superintendent and School Board District Goals 2021-2022:

- **Academic Achievement and Student Success**

***Increase Attendance***

Each school will increase their Regular Attenders (RA) rate (students attending school more than 90% of the time) to meet or exceed the pre-pandemic regular attenders rate (as listed in first column of [June 2021 RA Report](#)) by June 2022.

***Increase Graduation Rates***

-Each of our high schools will increase their 4-year cohort graduation rate by 3% (Baseline is the 2019 graduation rate).

-The goal will be reached when we get to 95% or greater for a four-year cohort graduation rate in all schools.

-Increase 9th grade on track at each high school by 10% per year.

-Increase Dual Credit attainment by 5% per year.

***Increase implementation of Positive Behavior Interventions and Supports (PBIS) and Social/Emotional multi-tiered systems of support***

-All K-6 schools will fully implement the DESSA-mini as a universal social-emotional screening tool for all students by December 2021, and utilize the DESSA-full with 20% or fewer students to plan and implement small-group interventions by March 2022.

-All schools will implement the Check In/Check Out (CICO) Tier 2 intervention as part of the Synergy MTSS module, following district developed guidelines for implementation by March 2022.

-All schools will participate in the Tier 2 Team Training Series offered by Northwest PBIS/Dr. Billie Jo Rodriguez from October 2021-March 2022 to aid in action planning and implementation of their CICO intervention.

-All schools who are currently below 80% implementation of Tier 2 systems as measured by the June 2021 Tiered Fidelity Inventory (TFI) will either increase their implementation by 20% or reach 80% by June 2022.

-All Assistant Principals and Student Support Facilitators (new positions) will be fully trained in the integration of PBIS/Restorative Practices (RP) by June 2022, including the continuum of 6 specific RP Strategies/Structures.

***Align K-12 Mathematics***

-By June of 2022, 100% of K-6 classrooms will have the newly adopted math curriculum fully implemented in their classrooms. All teachers will have access to teacher created resources such as pacing & assessment guides, unit plans, and professional development to support implementation.

-By June of 2022, all 7th Grade - Integrated 3 math classrooms will have fully implemented curriculum maps with a minimum of three common formative assessments that included information pertaining to mathematical computation and mathematical literacy.

***Continue to Align K-12 Advancement Via Individual Determination (AVID) Implementation and Strategies***

-Our classrooms will have evidence of AVID literacy strategies being implemented on average between a level 2 and 3 on a 4 point scale. Walk through data will be used as a measure for this goal. Primary walkthroughs will use Enhanced Core Reading Instruction (ECRI) measures, Elementary and Secondary walkthroughs will use literacy (reading, writing, listening/speaking) as measures.  
-Data will include at least one walkthrough (by an admin) per teacher per month (2,000-3,000 walkthroughs for the year) with analysis of the walkthrough generated data by primary, elementary, and secondary.

### **Increase Student Engagement**

-Increase enrollment stability across the district as measured by enrollment data collections monthly.  
-Increase student academic engagement as measured by school by school and class by class observations and walkthroughs of instructional work in classrooms-measure student engagement of multiple types (AVID, etc.).  
-Increase community engagement around student success as measured by community surveys two times this school year.  
-Create new ways to connect students and families with the district as measured by a collection of evidence school by school at least annually.  
-Maximize the instructional value of the investment in “technology” via the full implementation of the Triple E Framework as measured by evidence of the use of online systems in K-12 classrooms that score at or above 13 out of 18 points on the Triple E Evaluation Rubric.

### **● Create an Equity Plan and Provide Culturally Specific Outreach to our Growing Diverse Community**

- 1) Monthly meetings of a Hispanic Family Advisory Group-the goal being one in LC and one in Newport.
- 2) 4 diverse community open forum meetings - 2 in Newport and 2 in Lincoln City either in person or by zoom.
- 3) 3 Hispanic family workshops on topics such as anti-bullying, school district navigation, parenting for academic success. Topics to be generated by parent advisory groups.
- 4) Develop the “equity practices in the classroom” work of the District Equity Coordinators Marty Perez, Sandy Mummey and Tiana Tucker.
- 5) Continue to partner with the Western Regional Equity Network in projects about affinity groups and recruiting, retaining and promoting staff of diverse backgrounds.
- 6) Continue to develop LCSD equity, inclusion and diversity district policies via the district’s monthly meeting of our LCSD Equity Team.

### **● Fully implement the Board’s Five Year Strategic Plan**

- GOAL ONE:** Enhanced Communications and Community Engagement.

The educational program shall provide for the continuous progress of students from grade to grade, with students spending one year in each grade. A small number of students, however, may benefit from staying another year in the same grade or being accelerated. Decisions to retain or accelerate will only be made after prior notification and explanation to the student's parents. The building administrator will make the final decision. Parents may appeal the administrator's decision to the superintendent or his/her designee.

For more information, please refer to LCSD Policy: [IKE](#) & [IKE-AR](#)

## ATHLETICS

**MISSION:** We believe athletics and activities in the Lincoln County School District focus on encouraging all programs to create a positive culture and community by developing character, sportsmanship, work ethic, and pride for all participants.

**CORE VALUES:** Character Development, Sportsmanship, Work Ethic, Pride, Community Involvement

For more information, please refer to the LCSD Athletic Handbook ([English](#) & [Spanish](#))

For more information, please refer to LCSD Policy: [IGDJ](#)

## ATTENDANCE

Attendance matters for students at all grade levels. Students who attend school regularly are more likely to read at grade level and build a strong foundation that takes them all the way through high school graduation. LCSD aligns our attendance policies and procedures with guidance provided by the Oregon Department of Education and the Every Day Matters campaign. “Chronically absent” means missing 10% or more of the school year (18 days). LCSD aims to have all students attend school regularly (greater than 90% of school days), because School + You = Success!

### COMPULSORY ATTENDANCE

---

Except as provided in Oregon law all children between the ages of 6 and 18 years who have not completed the 12th grade are required to regularly attend a public full-time school during the entire school term. All students five years of age who have been enrolled in a public school are required to attend regularly while enrolled in the public school.

Exemptions from compulsory school attendance are detailed in LCSD Policy: [JEA](#)

### EXCUSED & UNEXCUSED ABSENCES

---

All absences, whether excused or unexcused, contribute to a student’s attendance rate and affect his/her overall educational success. Parents and guardians are urged to schedule appointments, family vacations, etc. on non-instructional days to minimize student absences.

For more information, including a list of approved reasons for excused absences, please refer to LCSD Policy: [JEA-AR](#) and Policy [JED](#)

### GRADE REDUCTION & CREDIT DENIAL

---

Regular attendance is valuable in school and work. The district may establish grading policies that permit teachers to consider a student’s attendance in determining the student’s grade, but student attendance may not be the sole criterion.

For more information, please refer to LCSD Policy: [IKAD](#) and [IKAD-AR](#)

### NOTIFICATION OF ABSENCES

---

Parents/Guardians are asked to contact the school to notify the attendance secretary of the reason for any student absence, regardless of the length of the absence. Pre-Arranged Absence Forms can be found in the Family Resources section of the LCSD website, or at any school office. Schools will notify parents/guardians by the end of the school day if their child has an unplanned/unexplained

absence. The notification may be in person, by telephone, email, text notification or another method.

For more information, please refer to LCSD Policy: [JED](#)

---

## RE-ADMITTANCE AFTER ABSENCES

---

After an absence, parents/guardians may be asked to provide documentation or an explanation of the reason for the absence. Students who are absent for 10 consecutive days (excused or unexcused) are by OAR withdrawn from school for state accounting purposes. This does not release them from the requirement to attend school. Upon return, these students may be required to re-enroll.

For more information, please refer to LCSD Policy: [JEA-AR](#)

---

## TRUANCY & STATE LAW

---

School officials will encourage regular student attendance, but compliance with Oregon laws, district, and building policy regarding attendance is the responsibility of the student and his/her parent. Failure to send a student and to maintain a student in regular attendance is a Class C violation. School teams will monitor attendance and take actions, up to and including activating truancy procedures when applicable, to encourage improved attendance.

For more information, please refer to LCSD Policy: [JEA](#) & [JEA-AR](#)

## BEHAVIOR & DISCIPLINE

Our behavior management system creates and fosters healthy relationships that enable students to develop self-discipline necessary to remain in school and to function successfully in their educational and social environments.

For more information, please refer to LCSD Policy: [JG](#) and [JG-AR](#)

In order to support both students and staff, Lincoln County School District utilizes the Positive Behavior Intervention and Support (PBIS) framework to define, teach and support appropriate student behaviors to create positive school environments. Examples of PBIS actions include:

- 3-5 positively stated school-wide rules (example: Be Safe, Be Respectful, Be Responsible)
- School-wide routines and procedures are established, including visuals for grades K-3
- Students are taught the expected behaviors across all settings, multiple times per year
- Staff regularly provide feedback and positive acknowledgement to students
- Schools develop different levels of response to provide behavioral supports that help students develop skills and maintain relationships

---

## CODE OF CONDUCT

---

Through the PBIS framework, students are explicitly taught expected behaviors multiple times during the year, in applicable settings.

For complete descriptions of expected behaviors, please see LCSD Policy: [JFC-AR](#) (Student Code of Conduct).

Students are subject to discipline for conduct while traveling to and from school, at the bus stop, at school-sponsored events, while at other schools in the district and while off campus, whenever such conduct causes a substantial and material disruption of the educational environment or the invasion of rights of others. The following conduct will constitute grounds for disciplinary action. This list is not intended to contain all conduct that may be grounds for disciplinary action. ---

If a student violates the Student Code of Conduct, individual school rules, Board policy, or local, state, or federal law, appropriate disciplinary procedures may be taken, depending upon the student's discipline history, maturity of the student, severity of the infraction, and disability (Board policy [JGDA/JGEA](#) & [JGDA/JGEA-AR](#): Discipline of Students with Disabilities). Examples include, but are not limited to, reprimands, in-class consequences, parent contact/conferences, detention, law

enforcement contact, denial of participation in co-curricular and extracurricular activities, etc. For more information, please refer to LCSD Policy: [JFC-AR](#)

**Due Process:** Students have the right to due process of law with respect to suspension, expulsion and decisions which the student believes injure his/her rights. Students have the right to know the behavior standards expected of them as well as to know the consequences of misbehavior. For more information, please refer to LCSD Policy: [JF/JFA](#)

**Suspension:** Suspension temporarily denies the student attendance at school or school activities in any district school. The principal or designee shall have the authority to suspend a student for up to 10 days. In special circumstances a suspension may be continued until some specific pending action occurs, such as a physical or mental examination, drug assessment, completion of expulsion proceedings or incarceration by court action. For more information, please refer to LCSD Policy: [JFC-AR](#) and [JGD-AR](#)

**Expulsion:** Expulsion denies the student attendance at school and school activities in any district school. Expulsion may be for any length of time up to one calendar year. The district may deny enrollment to a student who has been expelled by another district. The district shall deny enrollment to a student who has been expelled from another district because of firearm or dangerous weapons possession. For more information, please refer to LCSD Policy: [JFC-AR](#) and [JGE-AR](#)

**Discipline of Students with Disabilities:** When considering student disciplinary procedures that may result in removal of the student, the district follows all special education and 504 plan procedures and ensures the parent and the student are afforded the procedural safeguards of the Individuals with Disabilities Education Act (IDEA) if:

- The student is receiving individualized education program (IEP) services;
- The student has not yet been identified as a student with a disability but the district had knowledge that the student had a disability and needed special education.

For more information, please refer to LCSD Policy: [JGDA/JGEA](#) & [JGDA/JGEA-AR](#)

**Use of Physical Force/Corporal Punishment:** No teacher, administrator, other school personnel or school volunteer will subject a student to corporal punishment or condone the use of corporal punishment by any person under his/her supervision or control. A staff member is authorized to employ physical force when, in his/her professional judgment, the physical force is necessary to prevent a student from harming self, others or doing harm to district property. Physical force shall not be used to discipline or punish a student. For more information, please refer to LCSD Policy: [JGA](#)

## **HARASSMENT/INTIMIDATION/BULLYING/CYBERBULLYING & SEXUAL HARASSMENT POLICIES, COMPLAINTS & INVESTIGATIONS**

All complaints about behavior that may violate this policy shall be promptly investigated. Any students, staff members or third parties who has knowledge of conduct in violation of this policy or feels they are a victim of harassment must immediately report their concerns to the principal, compliance officer or superintendent, who has overall responsibility for all investigations. Students may also report concerns to a teacher, counselor or school nurse, who will promptly notify the appropriate district official.

# EMERGENCY SCHOOL CLOSURES

The Board authorizes the superintendent or designee to close schools or other facilities, or to cancel or postpone activities, in the event of hazardous weather or other emergencies which present threats to the safety of students, school staff members or school property.

Lincoln County School District will communicate with the public of all delayed openings, closures, early dismissals, or cancellation of activities.

For more information, please refer to LCSD Policy: [EBCD](#)

# FIELD TRIPS

The Board recognizes that first-hand experiences are an effective and worthwhile means of learning. In planning and authorizing field trips, primary consideration shall be given to the educational values derived and the safety and welfare of students involved. Active consideration should also be given to equitable access for all students and a realistic cost/benefit ratio given limited funds of the district and the communities to support these trips. Within these contexts, it is the desire of the Board to facilitate field trips as an integral part of each school's educational and activities program.

For more information, please refer to LCSD Policy: [IICA](#) & [IICA-AR](#)

# GRIEVANCES

If your complaint addresses one or more of the issues identified below, you may use the complaint process available in any of the following policies and administrative regulations (AR):

- Discrimination or harassment on any basis protected by law: Board policy [AC](#), [AC-AR](#);
- Sexual harassment: Board policy [GBN/JBA](#), [GBN/JBA-AR](#);

Any complaint about school personnel other than the superintendent will be investigated by the administration before consideration and action by the Board. The Board will not hear complaints against employees in a session open to the public unless an employee requests an open session.

A complaint of retaliation against a student or a student's parent who in good faith reported information that the student believes is evidence of a violation of state and federal law, rule or regulation, should be reported to the administrator. Complaints against the principal may be filed with the superintendent. Complaints against the superintendent should be referred to the Board chair on behalf of the Board. Complaints against the Board as a whole or against an individual Board member should be made to the Board chair on behalf of the Board.

For more information, please refer to LCSD Policy: [KL](#) & [KL-AR](#)

## HEALTH

Although the district's primary responsibility is to educate students, the students' health and general welfare is also a major Board concern. The Board believes school programs should be conducted in a manner that protects and enhances student and employee health and is consistent with good health practices. The nurse(s) employed by the district shall be licensed to practice as a registered nurse or nurse practitioner in Oregon and will function as an integral member of the instructional staff, serving as a resource person to teachers in securing appropriate information and materials on health-related topics.

Services will be provided to students as required by law.

When an administrator has reason to suspect that a student has or has been exposed to any restrictable disease for which the student is required to be excluded, the administrator involved shall exclude the student from school and if the disease is a reportable disease, will report the occurrence to the local health department. The administrator will also take whatever reasonable steps it considers necessary to organize and operate its programs in a way which both furthers the education and protects the health of students and others.

In cases when a restrictable or reportable disease is diagnosed and confirmed for a student, the administrator shall inform the appropriate employees with a legitimate educational interest to protect against the risk of exposure.

## REGISTRATION

## STUDENT FEES, FINES AND CHARGES

---

The Board recognizes the need for student fees to fund certain school activities, which are not sufficiently funded by the district. No student will be denied an education because of his/her inability to pay supplementary fees. No student, however, is exempt from charges for lost or damaged books, locks, materials, supplies, and equipment.

All student fees and charges, both optional and required, will be listed and described annually in the student/parent handbook, or in some other written form, and distributed to each student. Students will be advised of the due dates for such fees and charges as well as of possible penalties for failure to pay them.

Information and notices regarding student fines, fees and charges may also be listed in detail in our registration materials.

### **The criteria listed below shall be used in developing budget needs for programs and activities and the fees where a maximum has not been set:**

1. Schools will comply with adopted statutes, specifically Oregon Revised Statute (ORS) 339.141 and ORS 337.150
2. Schools will treat all students fairly and equally, complying with District equity policies.
3. All schools will follow this standard set of procedures for assessing student fees.
4. No fees shall be charged for required and elective courses for which grades and/or credit is earned, even if supplies may eventually become the property of the student.
  - a. Students wishing maximum freedom of creativity, self-expression and personal choice may choose to select and purchase/provide their own supplies.
  - b. Interested students who do not purchase their own supplies should enroll in these courses anyway. Supplies will be made available for them by the school to complete the course requirements.
5. No fee will be charged for required field trips.
6. No fees shall be charged for textbooks that are required in the regular full-time day program.
7. Fee schedules show the maximum fee that may be charged for the specified item/activity. Based on the activity budget and needs of a school, these fees may vary in amount but may not exceed the maximum fee.
8. Towel fees are assessed with the purpose of purchasing locker room towels, operating a washer/dryer on site, and to set aside funds for future replacement of washer/dryers. This fee can only be collected if the school makes towels available to students.
9. Yearbook/Annual fees are assessed on the basis of actual cost to produce an Annual. A budget is prepared which allows for operating costs and future replacement of equipment used in Yearbook/Annual preparation.
10. Lock/hasp and locker fees are assessed to repair and replace equipment.

11. Physical education uniform fees may be charged if the student chooses not to provide his/her own uniform and one is required. Uniforms that could damage or injure property or other students are not permitted.
12. Student Body Activity Card fees are assessed to fund student activities within the school and may not be required for participation in any school activity.
13. A family that believes that payment of school fees/fines creates a severe hardship may request to waive the payment of fees or apply for available "scholarships" when eligible.

## STUDENT DRESS CODE

---

### **Dress Code Philosophy:**

Lincoln County School District's student dress code supports equitable educational access and is written in a manner that does not reinforce stereotypes. To ensure effective and equitable

enforcement of this dress code, school staff shall enforce the dress code consistently and in a manner that does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

#### **Our Values:**

- All students should be able to dress comfortably for school and engage in the educational environment without fear of or actual unnecessary discipline or body shaming.
- All students and staff should understand that they are responsible for managing their own personal “distractions” without regulating individual students’ clothing/self-expression.
- Teachers should focus on teaching without the additional and often uncomfortable burden of dress code enforcement.
- Student dress code enforcement should not result in unnecessary barriers to school attendance.
- Reasons for conflict and inconsistent discipline should be minimized whenever possible.
- Consistent expectations for the dress code and equitable enforcement of the dress code.

#### **Dress Code Goals:**

- Maintain a safe learning environment in classes where protective or supportive clothing/footwear is needed, such as chemistry/biology (eye or body protection), dance (bare feet, tights/leotards), PE (athletic attire/shoes), or CTE (close toed shoes, hair net, etc.).
- Allow students to wear clothing of their choice that is comfortable and within the requirements of the dress code.
- Allow students to wear clothing that expresses their self-identified gender.
- Allow students to wear religious attire without fear of discipline or discrimination.
- Prevent students from wearing clothing or accessories with offensive images or language, including profanity, hate speech, and pornography.
- Prevent students from wearing clothing or accessories that denote, suggest, display or reference alcohol, drugs, or related paraphernalia or other illegal conduct or activities.
- Prevent students from wearing gang-affiliated clothing or paraphernalia.
- Ensure that all students are treated equitably regardless of race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size.
