# Armando Cerna Elementary

TO: Mr. Gilbert Gonzalez, Superintendent of Schools

FROM: Mrs. Sandra López, Principal

DATE: October 24, 2017

RE: Recognition of 5<sup>th</sup> Grade Teacher

Mr. Gonzalez,

Armando Cerna Elementary 5<sup>th</sup> grade student's and myself are humbly requesting recognition be given to Mrs. Jazmin Estrada, Mrs. Cristina Estrada, Ms. Kimberly Rodriguez, and Mrs. Nereyda Dunn, Fifth Grade Teachers at Armando Cerna Elementary, for going the extra mile as educators, during the next board meeting on November 14th.

Every October for the past 4 years 5<sup>th</sup> grade teachers have left their families and home to organize a 3 day and night Science trip to Camp Forest Glen in Huntsville, TX for all 5<sup>th</sup> grade students. It is an incredible outdoor learning science camp in which the activities are directly related to Physical and Life Science TEKS. The teachers are on duty for 72 hours straight. The parents have entrusted them with their child and they take that responsibility to heart. Not only do they participate in the activities, but also help instruct the day and night activities. They become health care workers, and ensure the students take their needed medications, and also provide first aide. They take turns as night watchmen in the lodge when the students are sleeping. Finally, they keep the parents constantly informed sending messages and pictures on how their children are doing, and allowing each child to call home, from their personal phone, before they go to sleep every night.

The parents, students, and administration want to thank the 5<sup>th</sup> grade teachers for going above and beyond the call of the duties of an educator.

Sincerely,

Sandra López
