

Minnesota Insurance Scholastic Trust

Administrator's Report & 26-27 Program Renewal

JACK KURCAB, NICK LANO, SAMUEL DING

Administrator's Report

February, March, April 2026

- Coordinated Executive Committee meetings & follow-ups
- Reviewed online Questionnaires/Changes and followed up with members regarding outstanding information missing as well as supplemental applications for renewal.
- Prepared submissions to markets based on strategized marketing plan.
- Met with carriers to negotiate and discuss 2026-2027 renewal targets
- Prepared and submitted renewal requests to carriers for P&C
- Prepared and submitted renewal requests to carriers for E&O and Crime
- Prepared Property/Casualty Renewal proposal for Executive Committee Meeting
- Compiled Property/Casualty data and submitted it to Casualty Actuarial Consultants for preparation of the program actuarial report, funding levels and premium allocations
- Prepared and set up meeting packets
- Worked with MIST Treasurer Artex to finalize 2026-2027 Operating Budget while overseeing the transition of program treasury services.
- Negotiated renewal terms and conditions with carriers
- Placed Several Builders Risk Policies for Members
- Reviewed, responded and subsequently issued Certificates of Insurance
- Reviewed and answered coverage questions from MIST Members
- Reviewed contracts as needed
- Settlement notification sent out regarding claims meetings
- Secured vendor renewal contracts for 2026
- Processed change endorsements
- Worked with markets to help develop GovPro – Beneficial excess property program for MIST
- Established program-tailored allocation methodology for water sensors and secured pricing proposal

MIST 2026-2027 Property & Casualty Renewal

Motion Required

State of the Insurance Market - Overall

- × **Liability**
- × **Auto**
- × **Abuse**

Hard Market: Rates increasing, terms eroding, shrinking capacity. Market and loss history playing major factor.

- **Crime**
- **Pollution**
- **Property**

Challenging renewals: General rate increase to keep up with losses and inflation but options and coverage readily available.

- ✓ **Cyber**
- ✓ **Boiler**
- ✓ **Property**

Stable: Carriers compete for business. We can drive down rates and costs. In some cases, market is still hard but shows signs of improvement for proactive management.

MIST Renewal Strategy

- Explored alternative program structuring to decreased carrier fixed cost ✓
 - **Chubb & Munich Re** – served as great negotiation levers during marketing
- Marketed Boiler/Equipment Breakdown coverage ✓
- Prepared to offer higher cyber limits ✓
- Explore cutting edge loss control technologies → **MIST Water Sensor Program** ✓
- **Aggressively market MIST Property** Renewal to explore market options ✓
 - Utilize the softening of markets to spark market competition
 - **GovPro, Chubb, Travelers** as main market options for Excess

GovPro

Total Program TIV = \$26.6 Billion

Probable Maximum Loss (PML)

“Worst Case Scenario” out of 5 calculation methodology

1% chance in 100 years = \$100M
0.10% chance in 1,000 years = \$277M
0.01% chance in 10,000 years = \$732M

Excess Property Program for Pools (no risk sharing)

2 out of 4 programs approved to enroll ★

Controlled exposure with hand-selected K-12 Programs

Proven success → Alternative to standard market

Gov Pro Benefits

- Allows you to better take control from the standard market
- Brings competition to Travelers & Chubb – Keep them on their toes
- Increased insulation in changing markets
 - Ex. Today vs Hard Market
- Renewal stability
 - Diversified property program with broad market participation, not tied to one carrier.
 - Direct, E&S, Bermuda & London
 - Keeps markets competitive in changing markets
- MORE coverage, higher limits
- Homogenous group of Insureds (K12 Schools) with a good spread of risk (Ohio, SD, MN)
- **Selective Underwriting – RPA programs only** vs.
 - single dictating market
 - Gain Control

2026-2027 Program Structure

Gov Pro Coverage Highlights

Comprised of:

- Direct, admitted
- E&S
- Lloyds of London
- Bermuda

Sublimit Coverage	Expiring	GovPro
TOTAL LIMIT	\$200M	\$1 Billion
Flood - Low Hazard - Zone X	\$25M	\$50M
Flood - Moderate Hazard - Zones B, X-500	N/A	\$25M
Earthquake	25M Annual Agg	\$50M Occ/Annual Agg
Earthquake - New Madrid	Excluded	\$25M
Business Income	\$10M	\$50M
Additional Highlights		
1. No Margin Clause & Co-insurance included		
2. Include 10% Swing Clause for TIV before endorsement		
3. Scheduled assets are covered within SOV		
4. Underground assets, pipes, fiber options are covered within 1000ft of covered location

*Cyber moved to a Master Policy in 2025

MIST Optional Cyber

Why additional cyber:

- ✓ Ransomware attacks on educational institutions increased 23% in early 2025, with average demand at \$556,000
- ✓ K-12 schools averaged 4,388 cyberattacks per organization per week in Q2 2025, making education the “most attacked industry globally”
- ✓ Education sector experienced 1,075 confirmed security incidents and 851 data breaches in 2025
- ✓ **Recommendation to take advantage of the currently stabilized cyber market**

Current: \$2M total limit

Additional Option 1: \$1M xs \$2M = \$3M total limit

Additional Option 2: \$2M xs \$2M = \$4M total limit

Additional Option 3: \$3M xs \$2M = \$5M total limit

Pricing options will be included in individual proposals
