Re: Dues and Workshop Bill

Attached to this e-mail is your invoice for the 16-17 Dues and if applicable, the IISM workshop held July 19 and 20, 2016.

The IISM Budget will not be finalized until our meeting at MCEL. However, funds are running short and I am sending out the same amount you were billed last year. If the budget and revenues are changed at the meeting and an adjustment to dues is necessary, I will do that right after MCEL.

If you were not a member last year, I would like you to reconsider. Yes, it is yet more Association dues, but this organization is important especially with the Legislature coming to town in January. Also important is the rewriting of the Impact Aid law and new federal regulations. All this will be monitored by this organization and will directly affect you. Montana is the 10th largest recipient of Impact Aid dollars in the nation. At one time we were in the 4th spot so I will be looking into that also.

Please, if you have any questions or concerns, please feel free to contact me. My e-mail is lyndabrannon@outlook.com and my phone number is (406)431-0393.
