TASB Localized Policy Manual Update 109

District: Scurry-Rosser ISD

ATTN (NOTE) GENERAL INFORMATION ABOUT THIS UPDATE

Please note: Unless otherwise noted, references to legislative bills throughout these explanatory notes refer to Senate Bills (SB) or House Bills (HB) from the 85th Regular Legislative Session. All referenced bills have already gone into effect unless otherwise noted.

As described on the separate insert included with your Update 109 materials, Update 109 includes several revisions to your policies to enhance accessibility for people with disabilities. One of those changes is that margin notes have been converted from all capital letters to just the first letter of each word being capitalized (title case). For consistency, these explanatory update notes also use title case when referring to the margin notes within a policy.

A (LEGAL) BASIC DISTRICT FOUNDATIONS

The A section table of contents has been revised to change the subtitle of AIC to Interventions and Sanctions.

AE (LEGAL) EDUCATIONAL PHILOSOPHY

The objectives of the Texas public education system have been updated and moved from AE(EXHIBIT) to this legally referenced policy. HB 136 changes some of the objectives to focus on postsecondary success.

AE (EXHIBIT) EDUCATIONAL PHILOSOPHY

The content of this exhibit has been moved with revisions to AE(LEGAL), below.

AF (LEGAL) INNOVATION DISTRICTS

As revised at Website Posting, SB 1566 requires a school district to post and maintain a copy of the district's local innovation plan in a prominent location on the district's website. Within 15 days of the board adopting a plan, plan amendment, or plan renewal, the district must provide a copy to the commissioner. (See Copy to Commissioner on page 4.)

AIA (LEGAL) ACCOUNTABILITY
ACCREDITATION AND PERFORMANCE INDICATORS

HB 22 prompted numerous revisions to this legally referenced policy on performance indicators, including:

- Reducing the current achievement indicators from five domains to three: student achievement, school progress, and closing the gaps (see Achievement Indicators on page 4);
- Defining a D rating for the A–F performance ratings and requiring that the ratings be designed so that it is possible for all districts and campuses to receive A ratings (see A–F Performance Ratings beginning on page 5); and
- Adding detailed provisions on local accountability systems, in which campus performance ratings are assigned by the school district (see Local Accountability System beginning on page 6).

SB 22 revised the indicators of the quality of learning to delete reference to articulated postsecondary degree programs. (See Quality of Learning Indicators beginning on page 4.)

Explanatory Notes

TASB Localized Policy Manual Update 109

AIB (LEGAL) ACCOUNTABILITY PERFORMANCE REPORTING

Changes to this legally referenced policy on performance reporting were based on several bills.

- SB 490 added a requirement that the district performance report (TAPR) include the number of school counselors providing services at each campus. (See District Performance Report—TAPR.)
- HB 22 repealed community and student engagement provisions that previously made up the fifth domain of the school accountability system.
- SB 1566 creates an opportunity for districts to provide district data on academic achievement to TEA and request that TEA create a website that will allow review of campus and district academic achievement data. (See District Data on Academic Achievement on page 5.)

In addition, an existing provision from the Administrative Code has been added. The provision requires the district, at an open meeting of the board, to establish annual performance goals for programs, activities, and strategies implemented with high school allotment funds related to the performance indicators listed in the policy. The board must annually review progress on the indicators. (See High School Allotment Annual Performance Review beginning on page 3.)

AIC (LEGAL) ACCOUNTABILITY INTERVENTIONS AND SANCTIONS

This legally referenced policy on interventions and sanctions has been significantly reorganized to better reflect the current statutory structure of Chapter 39A, as redesignated by SB 1488, and was updated based on several bills.

- The commissioner may order a district to use the new commissioner-developed board self-evaluation tool established by SB 1566 if the district does not satisfy accreditation criteria, academic performance standards, or any financial accountability standard, or if considered appropriate by the commissioner on the basis of a special accreditation investigation. (See Authorized Commissioner Actions, item 10.)
- HB 22 requires the commissioner to order a targeted improvement plan if a district or campus is assigned an overall or domain performance rating of D. (See Needs Improvement Rating, beginning on page 9.)
- A campus turnaround plan must include a description for developing and supporting student academic achievement by the board, as required by SB 1566. (See Required Contents, item 6, on page 12.)
- HB 2263 requires the commissioner to approve or reject any campus turnaround plan each year. If rejecting the plan, the commissioner must provide the reasons, and the district must submit a modified plan to the commissioner, who must then notify the district in writing of the commissioner's decision regarding the modified plan. (See Commissioner Approval or Rejection on page 13.)

BAA (LEGAL) BOARD LEGAL STATUS POWERS AND DUTIES

SB 1566 added three provisions to the board's powers and duties.

At Mandatory Powers and Duties, a school board must provide oversight regarding student academic achievement and strategic leadership for maximizing student performance.

Explanatory Notes

TASB Localized Policy Manual Update 109

At Discretionary Powers and Duties, the board may:

- Require the district's chief business official, curriculum director, or person holding an equivalent position to appear at an executive session or to testify at a public hearing of the board without interference by the superintendent; and
- Establish, consistent with statutory provisions, before- and after-school programs for students enrolled in elementary or middle school grades.

BBD (LEGAL) BOARD MEMBERS
TRAINING AND ORIENTATION

Revisions to this legally referenced policy on board member training are from SB 1566 and include:

- A new requirement to complete at least three hours of SBOE-required training every two years on evaluating student academic performance (see SBOE-Required Training); and
- Revised provisions on reporting board member training deficiencies, which now must be reflected in the minutes of the last regular board meeting before an election of trustees (instead of the last meeting of a calendar year), and, if there is a deficiency as of the first anniversary of the date of the board member's election or appointment, the minutes must be posted on the district's website within ten days and remain until the deficiency is resolved (see Reporting on page 2.)

BBE (LEGAL) BOARD MEMBERS
AUTHORITY

Revisions to this legally referenced policy on board member authority are from SB 1566.

- A district must create a policy on board member visits to a district campus or facility. [See BBE(LOCAL), below.]
- SB 1566 deleted a provision regarding a district's discretion whether to provide a board member access to FERPA-protected records. New provisions require a board member to maintain the confidentiality of records as required by FERPA and any other applicable privacy laws. (See Access to Information.)
- A district must respond to a board member's request for records within 20 business days, subject to some exceptions for unduly burdensome requests. If a district does not provide the records by the deadlines, a board member may sue the district, and any awarded costs and fees must be paid from the budget of the superintendent's office.

In addition, we have deleted references to two attorney general opinions that are no longer necessary to include in light of recent statutory revisions clarifying board member access to information.

BBE (LOCAL) BOARD MEMBERS
AUTHORITY

Based on SB 1566, new text is recommended for this policy to:

- Explain that the district shall respond to a board member's requests for records within the time frames required by law, as described above at BBE(LEGAL); and
- Satisfy the new requirement for a policy regarding board member visits to a district campus or other facility. The recommended language requires a board member to follow any posted requirements for visitors and limits visits that interfere with the delivery of instruction or district operations.

TASB Localized Policy Manual Update 109

BBFA (LEGAL) ETHICS CONFLICT OF INTEREST DISCLOSURES

For appointed officials who are required to file a personal financial statement with the Texas Ethics Commission, HB 791 provides the option to file by certified mail rather than electronically. (See Electronic Filing on page 8.)

BDAE (LEGAL) OFFICERS AND OFFICIALS DUTIES AND REQUIREMENTS OF DEPOSITORY

At Contract—Term on page 3, SB 754 allows a school district and its depository bank to agree to extend a depository contract for three additional two-year terms and to modify the contract for each two-year extension.

An existing statutory provision added at Method, on page 1, requires the district to keep a selected bid or proposal form, as applicable, and make it available to TEA upon request.

BE (LEGAL) BOARD MEETINGS

Multiple bills affected this legally referenced policy on board meetings.

SB 1440 revises the definition of a meeting to exclude the gathering of a quorum of board members at a candidate forum, appearance, or debate to inform the electorate, if formal action is not taken and any discussion of public business is incidental to the event. (See Social Function, Convention, or Candidate Event on page 2.)

Provisions on meetings by videoconference call have been clarified by HB 3047 to address loss of connection by a participating board member. As long as all other requirements for the videoconference call meeting are satisfied, the board may continue the meeting, without the disconnected member, if a quorum of the body remains present at the meeting location. The meeting is not required to be recessed or adjourned. HB 3047 also addresses the quality of audio and video signals for videoconference call meetings. (See Meeting by Videoconference Call on page 7 and Quality of Audio and Video Signals on pages 7–8.)

At Video and Audio Recording of Meeting, provisions were expanded by HB 523 to require recording of a work session or special called meeting in a district with a student enrollment of 10,000 or more if the board votes on any matter or allows public comment or testimony at the work session or meeting.

BEC (LEGAL) BOARD MEETINGS CLOSED MEETINGS

SB 564 provides school boards a closed meeting exception to deliberate security assessments or deployments relating to information resources technology; network security information; or the deployment, or specific occasions for implementation, of security personnel, critical infrastructure, or security devices. (See Security on page 2.)

BG (LEGAL) BOARD SELF-EVALUATION

A board may choose whether to use the commissioner-developed board self-evaluation tool established by SB 1566, unless the commissioner orders the board to use the tool. See AIC(LEGAL), above.

Explanatory Notes

TASB Localized Policy Manual Update 109

BJA (LEGAL) SUPERINTENDENT QUALIFICATIONS AND DUTIES

A superintendent may not interfere with a board directive for the district's chief business official, curriculum director, or person holding an equivalent position to appear at an executive session or to testify at a public hearing of the board. (See Prohibited Interference on page 3.)

BJCD (LEGAL) SUPERINTENDENT EVALUATION

SB 7 adds provisions on the confidentiality of a document evaluating superintendent performance, including when a district may give such a document to TEA and when TEA can use such a document in a disciplinary hearing. (See Confidentiality.)

New Administrative Code rules, effective July 30, 2017, clarify that the commissioner's recommended appraisal process for the superintendent must include an annual evaluation, including a student performance domain. (See Appraisal Process.)

BR (LEGAL) REPORTS

At Reports by District, the list of district publication and distribution requirements has been revised as follows:

- HB 22 deleted all provisions related to community and student engagement ratings, including reports to TEA of the ratings;
- SB 1566 revised provisions on reporting about board member training deficiencies, resulting in the deletion of the reporting item on that topic; and
- Item 14 was revised to clarify that district police department reports about vehicle stops go to the Texas Commissioner on Law Enforcement (TCOLE).

CCF (LEGAL) LOCAL REVENUE SOURCES LOANS AND NOTES

This legally referenced policy on loans and notes has been updated to add existing statutory provisions and to better reflect statutory wording.

CDA (LEGAL) OTHER REVENUES INVESTMENTS

In addition to revisions to improve organization, better reflect statutory wording, and delete unnecessary provisions, multiple bills affected this legally referenced policy on investments. Significant changes and the relevant bill numbers are as follows:

- New definitions pertaining to hedging transactions and for "business organization" were added by HB 1003 and HB 1701, respectively.
- The list of authorized investments at Obligations of Governmental Entities was revised at items 1 (HB 2928), 7 (HB 2647 and HB 1003), and 8 (HB 2647).

Explanatory Notes

TASB Localized Policy Manual Update 109

- At Certificates of Deposit and Share Certificates, HB 2928 addresses how these authorized investments may be secured.
- HB 1003 revised provisions at Repurchase Agreements, modified the criteria for investing in certain mutual funds, made changes at Guaranteed Investment Contracts, and authorized investment in certain hedging transactions for districts with a specified level of indebtedness (see Hedging Transactions).
- At Prohibited Investments, SB 253 imposes obligations related to prohibited investments in companies with certain business operations in Sudan or Iran, or with foreign terrorist organizations.
- Changes at Sellers of Investments are from HB 1701 and address documents supplied by business organizations who engage in investment transactions with a district and explain that the district has ultimate responsibility to ensure that investments are in compliance with the district's investment policy.

CDA (LOCAL) OTHER REVENUES INVESTMENTS

A revision at Sellers of Investments is to align with changes from HB 1701 described at CDA(LLEGAL), above, and requires a business organization, as defined by law, that engages in investment transactions with a district to provide the district written documents required by law. The reference to brokers/dealers has been retained as a best practice.

CE (LEGAL) ANNUAL OPERATING BUDGET

SB 622 requires a school board to include a line item in its proposed budget showing expenditures for notices required by law to be published in a newspaper. The information must allow a comparison between the proposed budget and actual expenditures for the same purpose in the preceding year. (See Public Notice Expenditures.)

Other changes were to reorder provisions for better flow and to align wording more closely with statutory provisions.

CFA (LEGAL) ACCOUNTING FINANCIAL REPORTS AND STATEMENTS

Changes at Accounting System are from HB 1930, which repealed certain financial accounting and reporting standards that were previously included in Texas Government Code Chapter 2266. This change in law applies beginning with the district's first fiscal year that begins on or after September 1, 2018.

Other changes are to reference the rules for financial accounting and to better reflect statutory wording.

CH (LEGAL) PURCHASING AND ACQUISITION

At Required Contract Provision, a district may not enter into a contract with a company for goods and services unless the contract contains a written verification that the company does not and will not boycott Israel during the term of the contract. This change is from HB 89.

Explanatory Notes

TASB Localized Policy Manual Update 109

At Disclosure of Interested Parties, for a district contract valued at \$1 million or more or that requires an action or vote by the board, existing law requires a vendor disclosure before the contract may be signed. In accordance with SB 255, this disclosure requirement does not apply to a contract with a publicly traded business entity, an electric utility, or a gas utility. In addition, SB 255 makes changes to the required form used for these disclosures, for contracts entered into or amended on or after January 1, 2018.

A cross-reference to CV(LEGAL) has been added regarding prohibited professional services contracts and other prohibited contracts.

SB 262 requires a district contracting for the purchase of an automated information system through the Department of Information Resources to comply with certain statutory requirements. See Multiple Award Contract Schedule.

SB 706 repealed a provision allowing districts to participate in a contract awarded by the State Council on Competitive Government.

CI (LEGAL) SCHOOL PROPERTIES DISPOSAL

HB 3223 creates a penalty for the sale or transfer of a law enforcement vehicle if a district fails to remove emblems or insignia as required by law.

CJA (LEGAL) CONTRACTED SERVICES CRIMINAL HISTORY

In addition to background checks applicable to contractors who provide services to school districts under existing law, HB 3270 adds specific criminal background check provisions for public works contractors.

The new provisions at Criminal History—Certain Public Works Contractors apply to a noncertified employee of a contractor or subcontractor on a public works project if the employee has continuing duties related to the contracted services and the opportunity for direct contact with students. The contractor or subcontractor must ensure a national criminal history record check on these employees is completed through the Department of Public Safety clearinghouse. Certain convictions will disqualify the employee from providing services at an instructional facility. A district may adopt a policy regarding an emergency, in which case a district may allow a person subject to these new provisions to enter an instructional facility if accompanied by a district employee. Please contact your policy consultant if you would like to receive sample policy text to address this emergency provision.

Relevant terms are defined in the policy, including what constitutes "direct contact with students."

CKC (LEGAL) SAFETY PROGRAM/RISK MANAGEMENT EMERGENCY PLANS

HB 332 addresses polling place security and requires a district to include in its multi-hazard emergency operations plan (EOP) a policy for district property used as a polling place. The board may consult with local law enforcement regarding reasonable security accommodations but is not required to obtain or contract for the presence of law enforcement to secure a polling place. (See Polling Place Security.)

Explanatory Notes

TASB Localized Policy Manual Update 109

CKC (LOCAL) SAFETY PROGRAM/RISK MANAGEMENT EMERGENCY PLANS

New text recommended at this policy addresses the HB 332 requirement to include in the district's emergency operations plan (EOP) a "policy" addressing security of district property used as a polling place. The policy text refers to these "procedures" being included in the EOP, as EOPs are not typically board adopted.

CKE (LEGAL) SAFETY PROGRAM/RISK MANAGEMENT SECURITY PERSONNEL

At Refusal or Removal by Peace Officer and Refusal or Removal by School Resource Officer, we have added references to a provision permitting a district peace officer or school resource officer to refuse to allow a person to enter or to eject a person from property under the district's control under certain circumstances. The full statutory provision, added by SB 1553, is included in GKA(LEGAL), below.

Other legislative changes include:

- A new provision under Powers and Duties on page 2 requiring a peace officer to execute an emergency detention order upon request of the Texas Civil Commitment Office (SB 1576);
- Also at Powers And Duties, new provisions permitting a peace officer, in the course of an investigation of a criminal offense, to inquire about the nationality or immigration status of a victim or witness to the offense in certain circumstances (SB 4);
- Additional provisions pertaining to operation of district police departments, including additional details on motor vehicle stops, racial profiling policies, and diversion of individuals suffering from a mental health crisis or substance abuse issue (SB 1849) (see pages 5–8);
- Consequences for failure to report to the attorney general after an officer-involved injury or death (HB 245) (see page 8); and
- At School Marshals, clarification of provisions addressing the number of marshals that may be appointed per number of students and the type of ammunition that may be used (HB 867).

Note: SB 4 created a new subchapter in the Texas Government Code addressing immigration enforcement, including compliance with federal detainer requests. The new Government Code subchapter does not apply to school districts. However, the provision added to the policy mentioned above at Powers and Duties was added to the Code of Criminal Procedure and does apply to school districts.

CL (LEGAL) BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT

At Energy or Water Conservation Measures, HB 1571 replaced the detailed Education Code definition of an energy savings performance contract with a reference to the definition found in the Local Government Code and revised provisions to allow the district to use any available money to pay the provider of the conservation measures (see Financing).

Pools and other such bodies of water used for recreation must comply with "relevant" safety standards in accordance with HB 1468. (See Pools on page 4.)

CLA (LEGAL) BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT SECURITY

We have added a reference to a provision permitting a school administrator, school resource officer, or district peace officer to refuse to allow a person to enter or to eject a person from property under the district's control under certain circumstances. The full statutory provision, added by SB 1553, is included at GKA(LEGAL), below.

CLC (LEGAL) BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT TRAFFIC AND PARKING CONTROLS

Revisions to this policy are to better reflect statutory wording.

CMD (LEGAL) EQUIPMENT AND SUPPLIES MANAGEMENT INSTRUCTIONAL MATERIALS CARE AND ACCOUNTING

This legally referenced policy on instructional materials has been significantly revised and reorganized based on extensive Administrative Code rule changes effective May 8, 2017, and HB 3526 and SB 810. Important revisions are outlined below.

HB 3526:

- Replaces "instructional materials" terminology with "technology and instructional materials"; and
- Authorizes a district, when determining whether each student has instructional materials that cover all elements of the TEKS, to consider open education resource instructional materials included in the new instructional materials web portal that the commissioner of education must develop.

The Administrative Code amendments repealed several provisions that duplicated statute and:

- Clarified distribution of funds for high enrollment growth districts and added the possibility of additional bilingual instructional materials funding (see High Enrollment Growth on page 2);
- Added to the list of permitted expenditures to include materials for students with disabilities and activities related to local review and adoption of materials (see Permitted Expenditures on page 3);
- Added to the list of prohibited expenditures software used for tracking and managing instructional material inventory (see Prohibited Expenditures on page 4);
- Deleted provisions about reimbursements to provide districts greater flexibility and added provisions on access to the allotment (see page 5);
- Revised provisions on special and bilingual instructional materials (see pages 6 and 7); and
- Clarified when electronic instructional materials are in acceptable condition (see page 9).

CNA (LEGAL) TRANSPORTATION MANAGEMENT STUDENT TRANSPORTATION

SB 195 expanded the reasons for which a district may apply for an additional transportation allotment for students residing within two miles of a campus to include areas presenting a high risk of violence in addition to the existing factor of hazardous traffic conditions. Areas presenting a high risk of violence must be documented to TEA with law enforcement records. A district may use additional funds received to support community walking transportation programs.

Explanatory Notes

TASB Localized Policy Manual Update 109

CNA (LOCAL) TRANSPORTATION MANAGEMENT STUDENT TRANSPORTATION

Changes to this policy are a result of SB 195, which expanded the reasons for which a district may apply for an additional transportation allotment for students residing within two miles of a campus to include areas presenting a high risk of violence in addition to the existing factor of hazardous traffic conditions. The new recommended text provides that if the district applies for additional funding based on either or both factors, the board must adopt an appropriate resolution describing the areas.

Recommended for deletion are provisions addressing eligibility to participate in the district's transportation system by students for whom the district does not receive transportation funds, as these provisions are typically addressed in administrative regulations.

CNC (LEGAL) TRANSPORTATION MANAGEMENT TRANSPORTATION SAFETY

Multiple bills affected this legally referenced policy on transportation safety.

- SB 693 requires a school bus to have three-point seat belts, unless the bus is a 2017 or earlier model or, for a 2018 or later model, the board determines by a vote in a public meeting that the district's budget does not permit the district to purchase a bus with the required seat belts.
- HB 62 creates an offense for using a portable wireless communication device to read, write, or send an electronic message while operating a motor vehicle unless the vehicle is stopped, and adds a definition of "hands-free device."
- HB 2880 addresses the criminal consequences for exhibiting, using, or threatening to exhibit or use a firearm on a school bus.

CO (LEGAL) FOOD SERVICES MANAGEMENT

For students whose meal card or account balance is exhausted, previous law allowed the administration to establish the grace period during which a student could continue to charge meals. SB 1566 now requires the board to establish the length of the grace period. (See Insufficient Meal Card Balance.)

Provisions at Donation of Food are from SB 725, which allows a district to donate food to a nonprofit organization through an official of the nonprofit organization who is directly affiliated with the campus. Under this program, a district may adopt a policy under which the district provides food at no cost to students who are unable to purchase meals or a snack. See CO(LOCAL), below.

CO (LOCAL) FOOD SERVICES MANAGEMENT

Previous law allowed the administration to establish the grace period during which a student whose meal card or account balance was exhausted could continue to purchase meals. SB 1566 now requires the board to establish the length of the grace period. The recommended policy text includes the grace period information provided by your district.

Explanatory Notes

TASB Localized Policy Manual Update 109

In addition, new provisions are recommended for inclusion in the district's policy manual to address U.S. Department of Agriculture (USDA) policy requirements for students who have insufficient funds to purchase a meal. Although the USDA does not require board approval of the meal charge policy, the recommended policy text will ensure development of district-level procedures, as required by law. These procedures, based on federal law, will come into play after a student has exhausted the state law-required grace period for unpaid meal cards or accounts.

See USDA memoranda [Unpaid Meal Charges: Guidance and Q&A](#) and [Unpaid Meal Charges: Local Meal Charge Policies](#).

Recommended text at Food Donations authorizes the superintendent to develop regulations for campuses to donate food as permitted by SB 725. See CO(LEGAL), above.

Sample administrative procedures on food donations and meal charges will be included in the next update to the *TASB Regulations Resource Manual*, available in December 2017.

CQA (LEGAL) TECHNOLOGY RESOURCES DISTRICT, CAMPUS, AND CLASSROOM WEBSITES

Several new items have been added to the list at Required Internet Postings:

- SB 1566 requires a district to post a copy of the district's local innovation plan in a prominent location on the district's website (items 1 and 2) and to post board meeting minutes reflecting that a trustee is deficient in meeting training requirements (item 11).
- HB 1638 requires posting of agreements between the district and an institution of higher education to provide a dual credit program (item 27).
- SB 1553 requires posting of a notice regarding the district's ability to refuse entry or eject certain persons from property under the district's control (item 34).

The posting requirements related to community and student engagement ratings were repealed by HB 22.

CRB (LEGAL) INSURANCE AND ANNUITIES MANAGEMENT LIABILITY INSURANCE

As reflected at Career And Technology Insurance, HB 639 repealed an existing provision on career and technology education (CTE) insurance coverage and added new provisions. The board may obtain accident, liability, or automobile insurance coverage to protect participants in a district CTE program. The new provisions also address notice to parents and district and student immunity.

CRE (LEGAL) INSURANCE AND ANNUITIES MANAGEMENT WORKERS' COMPENSATION

At Ombudsman Program, HB 2082 requires a district that employs first responders to notify responders of the liaison available to assist an injured responder during a workers' compensation administrative dispute resolution process.

HB 451 permits a first responder who alleges workers' compensation retaliation by a district to sue the district for relief under the Labor Code. (See Claims by First Responder.)

Explanatory Notes

TASB Localized Policy Manual Update 109

CV (LEGAL) FACILITIES CONSTRUCTION

At Required Contract Provision, HB 89 prohibits a district from entering into a contract with a company for goods and services unless the contract contains a written verification that the company does not and will not boycott Israel during the term of the contract.

At Standard of Care, HB 3021 removes the requirement that a contract for engineering or architectural services include a provision requiring an engineer or architect to perform services with the skill and care provided by competent engineers or architects practicing "in the same or similar locality." A district may include and enforce conditions that relate to the scope, fees, and schedule of a project.

At Prohibited Contracts, a district may not enter into a contract with a company that is identified on the comptroller's list of companies known to have contracts with or provide supplies or services to a foreign terrorist organization. This change is from SB 252.

Other changes are to better reflect statutory wording.

CV (EXHIBIT) FACILITIES CONSTRUCTION

This exhibit is recommended for deletion from the policy manual. Policy CV(LEGAL), below, has been adjusted where appropriate to refer to the Administrative Code provisions included in this exhibit.

DBA (LEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS CREDENTIALS AND RECORDS

HB 3563 clarifies that state-required notice is not applicable if a school provides notice in accordance with ESSA regarding a teacher who does not meet certification requirements at the grade level and subject area in which the teacher is assigned. (See State-Required Notice—Lack of Credentials.)

An obsolete provision was deleted at Professional Personnel.

DC (LEGAL) EMPLOYMENT PRACTICES

In accordance with SB 7, an applicant for certain professional positions that require certification or license with a district must submit a pre-employment affidavit disclosing a charge, adjudication, or conviction based on an inappropriate relationship with a minor. A failure to disclose is grounds for termination. Although a disclosed charge does not preclude employment if the district determines that the charge was false, SBEC may revoke an administrator's certificate if it is reasonable to believe that the administrator employed an applicant in a relevant position and was aware that the applicant had been adjudicated for or convicted of an inappropriate relationship with a minor. (See Pre-Employment Affidavit.)

SB 7 authorizes SBEC to take certain actions if a person helps another get a job at a school district and the person knew that the other person had engaged in sexual misconduct with a minor or student. The commissioner may require a district to revoke or decline to issue a school district teaching permit requested by a person subject to SBEC action. (See Employment Assistance Prohibited—State Law.)

DEC (LEGAL) COMPENSATION AND BENEFITS LEAVES AND ABSENCES

HB 88 provides that an employer commits an unlawful employment practice if the employer's leave policy allows use of personal leave to care for an employee's sick biological or adopted minor child but does not allow similar use regarding an employee's foster child. (See Leave for Sick Foster Child.)

Explanatory Notes

TASB Localized Policy Manual Update 109

Other changes are to better reflect statute.

DECA (LEGAL) LEAVES AND ABSENCES
FAMILY AND MEDICAL LEAVE

A revision at Qualifying Reasons for Leave is to better match statutory wording.

DECB (LEGAL) LEAVES AND ABSENCES
MILITARY LEAVE

HB 2486 provides that a district employee who is a member of a listed military branch or an urban search and rescue team and who is ordered to duty is entitled, when relieved from duty, to be restored to the position held when ordered to duty. (See State Leave for Member of Military or Rescue Team.)

HB 3066 updated references to federal law at Called to Duty. Other changes are to better track statutory language.

DF (LEGAL) TERMINATION OF EMPLOYMENT

Changes to this policy on termination of employment are from SB 7 and include:

- Revision to the criminal offenses for which the district, upon notification that SBEC has revoked the employee's certificate, must take immediate action to terminate employment;
- Authorization for the board to delegate to a designee the authority to take certain termination actions without further board action when a contract employee has engaged in serious criminal conduct; and
- A requirement for a principal to report to the superintendent an educator's termination for certain misconduct.

DF (LOCAL) TERMINATION OF EMPLOYMENT

As described above at DF(LEGAL), SB 7 authorizes the board to delegate to a designee the authority to take certain termination actions without further board action when a contract employee has engaged in serious criminal conduct. This delegation would allow a faster response in these situations. The recommended policy designates the superintendent as the board's designee. **If the board does not wish to identify a designee through board policy, contact the district's policy consultant for an adjustment to this policy.**

DFBA (LEGAL) TERM CONTRACTS
SUSPENSION/TERMINATION DURING CONTRACT

SB 7 requires a principal to report to the superintendent within seven business days an educator's termination for certain misconduct. (See Report by Principal.)

DFE (LEGAL) TERMINATION OF EMPLOYMENT
RESIGNATION

SB 7 clarifies the requirement to complete an investigation of an educator that involves evidence that the educator may have had a romantic relationship or committed an unlawful act with a minor. The investigation must be completed even if the educator resigns. (See Investigation on page 2.)

Explanatory Notes

TASB Localized Policy Manual Update 109

Also from SB 7 is a provision requiring a principal to notify the superintendent no later than seven business days after the date of an educator's resignation following an alleged incident of misconduct described above. (See Report by Principal.)

DH (LEGAL) EMPLOYEE STANDARDS OF CONDUCT

SB 7 prompted two revisions to this legally referenced policy on employee standards of conduct.

- A district must adopt a policy on electronic communications, as defined in the policy, between employees and students. The policy must include provisions designed to prevent improper electronic communications, allow an employee to elect not to disclose to students a personal telephone number or e-mail address, and include information about how an employee should notify appropriate administrators when a student engages in improper communications with the employee. See DH(LOCAL), below.
- A person is ineligible for a retirement annuity from TRS if the person is convicted of a qualifying felony, as defined in the policy. A district with knowledge of a conviction must notify TRS.

SB 1566 provides that a district may not prohibit an employee with a handgun license from transporting or storing a handgun, firearm, or ammunition that is not in plain view in a locked vehicle in a district parking area. (See Transportation or Storage of Firearm in School Parking Area.)

DH (LOCAL) EMPLOYEE STANDARDS OF CONDUCT

Recommended revisions to this local policy on employee standards of conduct include:

- Clarification that the policy makes all district employees subject to the Educators' Code of Ethics;
- Change in terminology from "illegal knife" to "location-restricted knife" at Weapons Prohibited (HB 1935);
- Clarification that a district may not prohibit an employee with a handgun license from storing an unloaded gun that is not in plain view in a locked vehicle in a district parking area at Weapons Prohibited—Exceptions (SB 1566);
- Clarification at Electronic Communication regarding when an employee may use personal electronic platforms, applications, or accounts to communicate with students; to emphasize that electronic communications must comply with the ethical standards in the Educators' Code of Ethics; and to state that employees do not have an expectation of privacy in communications with students;
- Additional provisions at Electronic Communication to require an employee to report improper electronic communications by a student and to allow employees to choose whether to disclose a personal e-mail address or phone number to a student (SB 7);
- Acknowledgment that the district will notify a parent if an educator has engaged in certain misconduct with the student at Relationships With Students (SB 7); and
- Inclusion of the required notice of drug-free workplace provisions that were previously in a separate exhibit at DI.

DHB (LEGAL) EMPLOYEE STANDARDS OF CONDUCT
REPORTS TO STATE BOARD FOR EDUCATOR CERTIFICATION

Revisions to this legally referenced policy on reports to the SBEC are from SB 7.

Provisions at Reportable Misconduct were reverted to the statutory text, as the revisions from SB 7 do not align with the existing Administrative Code rules.

The superintendent must complete an investigation of an educator that "involves evidence" that the educator may have had a romantic relationship or committed an unlawful act with a minor, even if the educator resigns. (See Investigation.) All deadlines for reporting to SBEC are now seven "business" days. (See Deadline to Report.)

At Notice—To the Board and Educator, a board must adopt a policy providing for notification to the parent of a student with whom an educator allegedly engaged in abuse or otherwise committed an unlawful act or with whom the educator was involved in a romantic relationship or solicited or engaged in sexual contact. See FFF(LEGAL), below.

Newly added consequences for failing to report include administrative penalties, consisting of fines between \$500 and \$10,000, and, if the failure to report was based on an intent to conceal information, a criminal offense of a state jail felony. (See Sanctions for Failure to Report on page 3.)

Superintendents and principals have immunity for good faith reports to SBEC or for communications with other superintendents or principals about an educator's criminal record or an alleged incident of misconduct.

Other changes are for clarification and to better reflect statutory wording.

DI (EXHIBIT) EMPLOYEE WELFARE

As explained at DH(LOCAL), above, the required notice of drug-free workplace is now included in local policy. As a result, this exhibit is recommended for deletion.

DMA (LEGAL) PROFESSIONAL DEVELOPMENT
REQUIRED STAFF DEVELOPMENT

Changes to this legally referenced policy on staff development are from multiple bills and address training on:

- Digital learning (from SB 1839; see Training Specifics—Educators);
- "Evidence-based" instruction of students with disabilities (from SB 1839; see Students with Disabilities);
- Various topics related to mental health, grief and trauma affecting student learning, and positive behavioral interventions and supports (from HB 4056 and SB 179; see Mental Health Support Programs); and
- Concussions, now provided by the Texas Department of Licensing and Regulation (from SB 1488; see Concussions).

Other revisions are to more closely track statutory wording.

Explanatory Notes

TASB Localized Policy Manual Update 109

Please note: SB 2039 addresses raising awareness and prevention of sex trafficking. The bill included training provisions for students and staff and a requirement for the commissioner and the Texas task force on human trafficking prevention to develop one or more sexual abuse and sex trafficking instructional modules that a school district may use in the district's health curriculum. The provisions of the bill have not been included in the policy manual because the bill was dependent on the 85th Legislature making an appropriation, which did not occur. However, preventing sex trafficking remains a priority for the state; TEA and the governor's office plan to share educator training on identifying risks and curriculum units for students at various grade levels. Helpful information on preventing sex trafficking is available on the [Texas Attorney General's website](#) and on [TEA's website](#).

Please note that HB 2442 revised the provision requiring at least 75,600 minutes of instruction to instead require a district to operate for at least 75,600 minutes, including time allocated for instruction, intermissions, and student recesses. Because this change is effective with the 2018-19 school year, it will be included in a future update.

Under existing law, school districts must notify students in special education and their parents of the transfer of parental rights at least one year before the student turns 18. These bills require the notice to be in writing and to include certain information and resources that may enable the student to live independently. The student's IEP must include a statement that the district provided such notice, information, and resources. TEA must provide a model form for this notice requirement.

HB 1556 expands existing provisions in state law to implement the IDEA's requirement that a school district appoint a foster parent or surrogate parent to protect the rights of a child with a disability in the conservatorship of DFPS. (See Special Education Decision-Making for Children in Foster Care.)

- At Possession of Weapons, beginning on page 5, HB 1935 replaced references to an "illegal knife" with "location-restricted knife" and adds a new felony offense for possessing a location-restricted knife at a high school sporting event.
- Texas Penal Code section 46.03 (places weapons prohibited) does not apply to volunteer emergency personnel who are licensed to carry a handgun and who are engaged in providing emergency services. (See Excepted Persons beginning on page 6.)
- SB 1566 provides that a district may not prohibit a person with a handgun license from transporting or storing a handgun, firearm, or ammunition that is not in plain view in a locked vehicle in a district parking area. (See Transportation or Storage of Firearm in School Parking Area on page 7.)
- HB 435 limits the liability of a district if a volunteer emergency services personnel who is licensed to carry discharges a handgun. (See page 7.)

GKA (LOCAL) COMMUNITY RELATIONS CONDUCT ON SCHOOL PREMISES

As described above at GKA(LEGAL), SB 1553 authorizes administrators, school resource officers, and district police officers to refuse entry to or eject a person from property under the district's control under certain circumstances. Recommended text has been added to this policy to address the new law, along with clarification that district personnel may request assistance from law enforcement in an emergency or when a person is engaging in criminal conduct.

At Weapons—Exceptions, a recommended revision clarifies that the district's policy prohibiting unlawful possession of a firearm on district property is not violated when an individual with a handgun license stores an unloaded gun that is not in plain view in a locked vehicle.

GKC (LEGAL) COMMUNITY RELATIONS VISITORS

SB 1553 requires a registered sex offender to provide notice to the campus administrative office when the sex offender enters the premises “during the standard operating hours of the school.” Premises includes buildings and the grounds, driveways, parking lots, and sidewalks of the campus. The administration may require that the sex offender be chaperoned while on campus. Certain exceptions apply, including when the campus and sex offender have a written agreement that exempts the sex offender from these requirements. (See Notice of Entry onto School Premises.)

HB 1111 addresses ordinances in general-law municipalities establishing prohibitions for persons who have committed a sexual offense with a child victim to be within a specified distance of a child safety zone. The new provision also explains when these individuals may be within an otherwise prohibited location. (See page 2.)

As added by SB 1843, a district must provide students in grades 10–12 the opportunity to take the Armed Services Vocational Aptitude Battery test (ASVAB) and consult with a military recruiter.

GKC (LOCAL) COMMUNITY RELATIONS VISITORS

Recommended revisions to this policy regarding visitors are to reflect that board member visits to district facilities are now addressed at BBE(LOCAL) (see above). Revisions have also been made to better align text addressing registered sex offenders on campus with statutory provisions.

GKE (LEGAL) COMMUNITY RELATIONS BUSINESS , CIVIC, AND YOUTH GROUPS

Beginning with the 2017–18 school year, SB 1566 requires a board to adopt a policy that allows a campus principal to provide representatives of a patriotic society with the opportunity to speak to students during regular school hours about membership benefits. A patriotic society means a youth membership organization with an educational purpose that promotes patriotism and civic involvement. The board policy shall give a principal complete discretion over the specific date and time, except that the policy shall allow the principal to limit the opportunity to a single school day and any presentation made to students to ten minutes in length. See GKE(LOCAL), below.

GKE (LOCAL) COMMUNITY RELATIONS BUSINESS , CIVIC, AND YOUTH GROUPS

This local policy is recommended for inclusion in the district's policy manual to satisfy the requirement in SB 1566 for a board policy allowing a principal to provide a representative of a patriotic society an opportunity to speak to students during the school day. The policy must give the principal discretion over the date and time and allow the principal to limit the opportunity to a single school day and to limit the presentation to ten minutes. The statute requires the board to adopt the policy by the beginning of each school year, and it is our understanding that continuing implementation of a previously-adopted policy would meet that requirement.
