ISIP™ Early Reading results for **Babb Elementary School**

at Browning Public Schools - 2019/2020 School Year

Challenges: We continue transitioning into a more individualized approach to teaching students.

Positives:

December was filled with so many great activities for students and the community. We had a monthly visit by the Park Service. Our students learned about Glaciers and the impact they have on the landscape. We also had our monthly literacy night. Parents and students read books about Christmas and made Christmas ornaments. In preparation for the Christmas play, students baked and decorated cookies.

The month was highlighted by our annual Christmas play, Christmas on Candy Cane Lane. We had well over 100 people in attendance. Santa gave out bags of candy and Toys for Tots provided gifts. PTO and Blackfeet Housing provided snacks and beverages.

The month concluded with Christmas dinner. We had 36 parents and family members in to each dinner their students. It was a great meal.

We look forward to a great NEW YEAR!
