Meeting Date: February 10, 2025

Subject: Targeted Improvement Plans

Administrator Responsible: Wade Stanford and Laura Jones

Summary:

The targeted improvement plans for the Elementary and Middle School consist of a Plan A and a contingent Plan B based on the pending approval of the LASO 3 grant application that was submitted. Plan A includes the Math Bluebonnet materials and the additional support provided by the LASO 3 Grant. Plan B still includes Bluebonnet Math but does not include the other components included in the LASO 3 Grant.

We will implement the awarded components if any piece of the LASO 3 grant is not awarded. If no components are awarded, we will continue with our Literacy Initiative and purchase OER materials through additional funding that the state will provide with consideration to potential master schedule review. Grant awards are scheduled to be announced February 20, 2025.

Administration's Recommendation: The administration recommends the approval of the targeted improvement plan for the Elementary and Middle Schools as presented.

Possible Motion: I move that we approve the targeted improvement plan for the Elementary and Middle Schools as presented.
