Agendum	Request to Consider Approval of Additional Local Criteria to Identify Students At-Risk
Category	Operations / Action Item
Resource Personnel	Loree Bruton, Associate Superintendent
Attachments	Memo from Dr. Windsor on Local Criteria for Compensatory Education
Rationale	<p>The addition of local criteria to identify at risk students is as follows: A student who is struggling learner and/or is unengaged as identified by a designated campus committee.</p> <p>This designation would allow the district to use designated state compensatory funds for this group of students who may not meet the current criteria.</p>
District Goal(s)	Academic Performance
Budget Implications	The implementation of this criteria would assist the district to meet its annual compensatory education spending requirement.
Recommendation or Proposed Motion	That the Board of Trustees approve the addition of the above criteria to identify at risk students.
