## **Mingus Flag Football - Summer California Camp - Parent and Student Consent Form**

I authorize my student athlete to participate in California camp associated with Mingus Union High School coaches and players. I understand the risks and dangers involved in athletic participation and I voluntarily assume all risks of personal injury and/or property damage for my above-named student. I also understand the school does not provide any medical or health insurance coverage for my student.

I acknowledge that there is a code of conduct that my student will abide by. This code of conduct includes, but is not limited to, maintaining a respectful, safe, non-violent and bully-free environment. The use and/or possession of any illicit items or substances is prohibited and will not be tolerated. Any suspicion of possession of illicit items or substances warrants the coaching staff permission to search personal items and dispose of the items. Given there is zero tolerance for this behavior, the student may be sent home immediately and will be held financially responsible for the entirety of their trip and expense to return home early.

I acknowledge that I will be responsible for any medical expenses associated with my student's participation in the camp. I acknowledge that I may also be responsible for any property damage caused by my student. I consent to Mingus Union High School coaches and staff seeking medical treatment or ambulatory services for my student if, in their judgment, such services are necessary.

By signing this Release Form, I agree to the above conditions set forth by Mingus Union High School District.

By signing the form, you agree to be legally bound by this release form's terms and conditions.

To the best of my knowledge, this student/participant does not have any health problems that would be harmful to him/her while participating in this community schools' program. Be it known that I, the undersigned parent/guardian/participant of the named student/participant, do hereby give and grant unto the instructor my consent and authorization to render such aide, treatment or care to said participant as, in the judgement of the instructor, may be required on an emergency basis, in the event said participant should be injured or stricken ill, it is hereby understood that the consent and authorization hereby given and granted are continuous, and are intended by me to extend through the length of the program. If emergency service involving medical action or treatment is required and neither the parents/guardians can be contacted, I hereby consent for the participant to be given medical care by the doctor selected by the instructor. (Participant must have medical insurance to participate.)
