

# Terrell Independent School District

## Executive Summary Report

Date	District Objective	
May 19, 2025	<b>Goal 4:</b> Develop a resource allocation plan and long-term facilities plan that supports and maintains the financial stability of the district, is aligned with identified priorities, addresses future growth and facility improvement needs, and represents being good stewards of taxpayer funds	

**Agenda Item:** Consider Approval of Resolution of the Board of Trustees Regarding Hazardous Traffic Conditions

**Summary:**

Terrell ISD Board Policy CNA (LEGAL) states the following:

**Hazardous Conditions or High Risk of Violence**

A district may apply for and on approval of the commissioner receive an additional amount of up to 10 percent of its regular transportation allotment to be used for the transportation of children living within two miles of the school they attend who would be subject to hazardous traffic conditions or a high risk of violence if they walked to school. Education Code 48.151(d); 19 TAC 61.1016

**Definitions**

*“Hazardous traffic condition” means an area within two miles of a campus where no walkway is provided and children must walk along or cross a freeway or expressway, an underpass, an overpass or a bridge, an uncontrolled major traffic artery, an industrial or commercial area, or another comparable condition.*

*“Area presenting a high risk of violence” means an area within two miles of a campus that law enforcement records indicate presents a high incidence of violent crimes.*

If the District applies for the additional transportation allotment provided by the state for students who live within two miles of a school campus, the Board shall adopt a resolution to identify hazardous traffic conditions or areas presenting a high risk of violence within two miles of the school campus.

The resolution shall include the specific hazardous or high-risk areas in which transportation shall be provided, and the District shall publish the locations of these routes. The Board shall adopt a revised resolution when necessary to accurately reflect changes to the conditions or areas.
