### CURRENT PROGRESS:

#### ACT, Aspire & WI Forward Exams:

- Teachers are working to incorporate more ACT, Aspire and Forward Exam practice into core coursework
  - daily practice problems and a variety of practice exams scheduled throughout the school year 9th-11th grade
  - progress monitoring score growth with individual student data conversations with core teachers

#### Scheduling 2022-2023

- We have created a customized 6-8 schedule with five periods that designates intentional time for middle school goals:
  - Homeroom - social-emotional growth, character & leadership skills, academic & career planning
  - Study Skills - executive functioning skills
  - 3 core class with PE, Health & 3 alternating electives
  - Targeted Academic Intervention - RTI
  - Choice based silent reading
  - Daily music opportunities for band and choir
- We have created a customized 9-12 schedule with six periods that supports intentional time for high school goals:
  - Additional intervention & credit recovery courses
  - Additional elective opportunities
  - Separate lunch hour from middle school schedule
  - Targeted intervention and homework support at the end of the day, allowing an early release privilege
  - Daily music opportunity allowing .5 credit per trimester
