**Subject:**

Bid Award – BCMS  
Ballfield Improvements

**Presenter:**

**John Heltunen, Director  
Buildings and Grounds**

---

**SUGGESTED SCHOOL BOARD ACTION:**

Accept low bid from Land Pride Construction, LLC. for \$173,887.35 to complete the Ballfields Improvements at the Buffalo Community Middle School.

**DESCRIPTION:**

Enclosed is the bid tabulation showing the 9 companies that submitted bids to complete the project. The low bid was submitted by Land Pride Construction out of Paynesville, MN.

Also enclosed is the letter of recommendation from Anderson-Johnson and Associates giving their approval to enter into contract with Land Pride to complete the project.

The scope of the project is to re-grade the ball fields between John Ause Blvd and the stadium. Also, to reconstruct the existing ball field, add a second ball field in the opposing corner, and add irrigation and drain tile. The site will also continue to be used as two full-size football/soccer fields.

Not included in this number is the cost of seeding and fencing.

If you have any questions about this project, please feel free to call me at 763-682-8773.
