

IASB Liaison September Talking Points

Below are the IASB Liaison talking points for September.

1. The fall Legislative Events begin on September 12 and run through October. Registration is open. You will be receiving an email soon with specifics about your division.
2. There is the possibility for a free registration for your district at the upcoming Legislative Event. With every paid registration, the registrant can bring another school board member who has not attended a Division Meeting in the past three years since (9/1/2021) **for FREE**. These free registrations are limited and are given on a first-come, first-served basis. Details will be in the email that you receive about registering.
3. With elections coming up, IASB has a lot of resources available to you and your board. They can be found [here](#).
