Subject: Budget Amendment Related Page(s) Attached

ACTION

BACKGROUND INFORMATION

Due to the District needing to replace our current Server Setup, this amendment will cover 199's portion of the purchase. Excess SHARS funds will offset the expenditure increase for 199 resulting in a neutral effect to the District Budget. The bond will pay for the remaining balance.

199 – \$30,000.00
697 - \$24,948.72

ADMINISTRATIVE RECOMMENDATION

Approve the Budget Amendment as presented.
