Educational Philosophy and Objectives ¹

The District's educational program will seek to provide an opportunity for each student to develop to his or her maximum potential. The objectives for the educational program are to:

1. Foster students' self-discovery, self-awareness, and self-discipline.
2. Develop students' awareness of and appreciation for cultural diversity.
3. Stimulate students' intellectual curiosity and growth.
4. Provide students with fundamental career concepts and skills.
5. Help students develop sensitivity to the needs and values of others and a respect for individual and group differences.
6. Help each student strive for excellence and instill a desire to reach the limit of his or her potential.
7. Encourage students to become lifelong learners.
8. Provide an educational climate and culture free of bias concerning the protected classifications identified in policy 7:10, *Equal Educational Opportunities*.

In order for the Board to monitor whether the educational program is attaining these objectives and to be knowledgeable of current and future resource needs, the Superintendent shall prepare an annual report that includes:

1. A review and evaluation of the present curriculum.
2. A projection of curriculum and resource needs.
3. An evaluation of, and plan to eliminate, any bias in the curriculum or instructional materials and methods concerning the classifications referred to in item 8, above.
4. Any plan for new or revised instructional program implementation.
5. A review of present and future facility needs.

The items in both the objectives and monitoring lists are only examples. Each board should customize this policy, and re-visit it periodically, to ensure it is responsive to the district's needs and is effective and dynamic.

Alternative or additional objectives for the educational program might include one or more of the following:

1. Have all students meet or exceed State standards in their academic pursuits.
2. Provide meaningful learning activities for all students who have the capacity to learn.
3. Provide opportunities for students to develop emotionally, morally, and socially as well as to gain knowledge and skills to develop and maintain healthy minds and bodies.
4. Foster an appreciation for the efficient use of natural resources.
5. Cultivate students' understanding and appreciation for democracy and the history of the United States.
6. Have students take responsibility for their own actions including understanding their role in creating a positive learning environment as well as being active participants in the learning process.
7. Provide opportunities for students' parents/guardians to participate in their child's academic achievement and school performance.
