4 Policy Name: *Student Drivers*

5 Regulation:

6  
7 The Board of Trustees is committed to contributing to a safe transport of students to the school site.

8  
9 Browning High School students may drive their own vehicle or family vehicles to building school sites.  
10 Student drivers are to be fully licensed and their vehicles insured.

11  
12 Upon District procurement of decals, parking on school property shall require vehicle identification  
13 decals. All vehicles must be insured and the driver licensed in order to obtain a parking decal.

14  
15 Vehicles on school property are subject to search if school officials determine that there is reasonable  
16 suspicion regarding the existence of possible contraband in the vehicle.
