Attendance and Enrollment have gone down a few points in March.

Great things are happening at BHS

New Student & Freshmen Orientation March 18

New Students and Freshmen were welcomed by staff and Tour Guides (upperclassmen). Two sessions were held AM-in town students, and PM-out of town. A tour was given, Grad Plans were introduced and explained, GEAR UP introductions were held and Expectations were explained. Breakfast and Lunch were served. A

good turnout-we had parents come as well. This gave BHS an opportunity to run through our protocols.

Phase 2 Blended Learning March 22

Numbers for students in the building

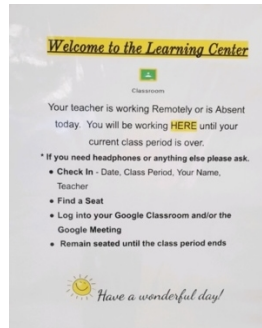

Monday 3/22- 106 students

Tuesday 3/23- 103 students

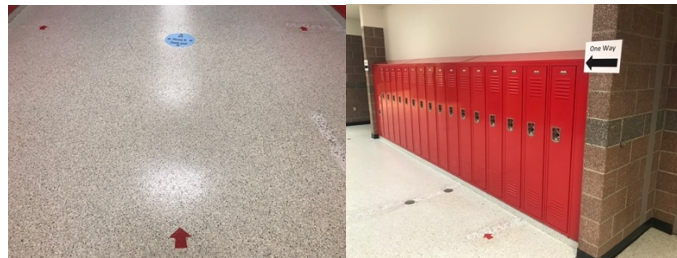

Wednesday 3/24- 87 students

Thursday 3/25- 83 students

To assist with the teachers who are teaching remote we have a Learning Center where a TA supervises students in their google classrooms. This has been working the best for BHS.

We have implemented a new flow of traffic for our Health and Wellness Plan for staff and students. It is working good and students and staff are getting used to the change.

Students are starting to get the flow of being in school again. Having one week of vacation to revisit any protocols, debrief on cleaning duties or signage was helpful.

Culture at BHS

The Flag Song and BHS Honor Song are sung daily for students and staff. We get an occasional student who assists in singing. BHS has begun to honor staff and students with Naming Ceremonies.

As always, see and praise the great things happening at BHS!
