

# Colorado City High School Board Review Month of October

## 11/12/2012

Numbers are still holding fairly steady in the number of students we have. Our funding should come up some because we're trying to get as many students as possible to take vocational classes as well for their electives.

Volleyball and football are in the playoffs. We have Brandon Nava who made it to regional in cross country He ran on the 3<sup>rd</sup> and came in \_\_\_\_\_ place.

We continue to work on ways to encourage students to come in and eat breakfast every day. They are complaining about the type of food they are being asked to eat. Fed's have done that. Less eating

Plans are in motion to begin a credit recovery program as well as extra time to assist with EOC exams when we begin the 3<sup>rd</sup> week of the six weeks. This will be held in the evening at Wallace.

Students that attended the trip to Indy report that they had a great time. I would like to have them come to the next board meeting and share with you what all they did.

Having a state officer in FCCLA is proving to be a big job for the sponsors as well as the student but Alisa Leverton and her sponsors are doing a great job representing this school district.

Many of our students participated in the "Out to lunch" program at Calvary Baptist Church on October 31st.. We also had a door decorating contest on by \_\_\_\_\_

Our Ban participated in the UIL Band Contest on Saturday, October 20<sup>th</sup> and brought home ONES again.

We only had a handful of students who had to retake the TAKS test the week of October 22 -26<sup>th</sup>.

On October 29<sup>th</sup> we sent 43 students to the Talent Search Meeting at UTPB to experience life at college and encourage them to further their education once they finish high school.

The first week in November saw the FCCLA conduct a community food drive- we were able to collect \_\_\_\_ lbs of food for the community.
