

SUBJECT: Consideration and possible approval of the board resolution to adopt a good cause exception for House Bill 3-armed security.

BACKGROUND: To increase school safety, the 88th Texas Legislature passed House Bill 3 requiring a police officer on every school campus. Due to lack of available qualified personnel, we will work toward increased school safety while recruiting, hiring, and training qualified police officers, as well as contracting with various agencies. Additionally, our district will develop a School Guardian Program.

FINANCIAL IMPLICATIONS: None

RECOMMENDATION: We recommend approval of the board resolution to adopt a good cause exception for House Bill 3-armed security.
