1:30pm - First Grade Program

Wednesday, December 15th
9am - Fifth Grade Program
1:30pm - Third Grade Program

2nd and 4th grades will be in March

5th Grade Student Council News

The elementary student council is again under the direction of Mrs. Meghan Barker. The student council has been busy lately with the following activities:

Mad Hatter Day TES Student Council organized a Mad Hatter Day on Wednesday, October 13th. TES students and staff were encouraged to wear fun hats to school on that day and donate \$1 (or more) to Caps for Kids. This is a fantastic organization that supports children battling childhood cancer. The student council raised \$369.58

TES Student Council is sponsoring a nickel war between the grade levels to benefit the Never Forgotten Honor Flight Program. The Never Forgotten Honor Flight is a Central Wisconsin based program whose goal is to fly veterans from our area who served during WWII, the Korean War, or the Vietnam War to Washington D.C. to visit the memorials erected in their honor. It costs roughly \$500.00 to fly a single veteran on this memorable flight. Our goal is to sponsor as many veterans as possible from our area. With Veteran's Day quickly approaching on November 11th, what better way to show veterans from our area that we remember and appreciate the sacrifices they have made for our country. We will keep a constant tally of the nickels (change) collected by the grade levels with jars in the school office. The grade level that collects the most will earn a sweet treat as a thanks for their efforts.
