

Waskom ISD Football Program Performance Bonus Recommendation

I recommend awarding a performance bonus to the Waskom ISD Football Program Coaches as follows:

Whitney Keeling-Head Football Coach-\$4,000.00

Jeremy Kubiak-Offensive Coordinator-\$3,000.00

Greg Pearson-Defensive Coordinator-\$3,000.00

Jeff Lyles-Special Team Coordinator-\$2,500.00

Daniel Swaim-OL/DL Position Coach-\$2,500.00

Gary Wilson-Assistant Position Coach-\$2,000.00

David Higginbotham-Assistant Position Coach-\$2,000.00

Vincent Lee-Assistant Position Coach-\$2,000.00

Matt Goode-Assistant Position Coach-\$2,000.00

The football program at Middle School and High School has continually improved under the leadership of Coach Whitney Keeling during the past five years. The end result of this continual improvement was a historical record breaking 2014 football season for the Waskom Wildcat Varsity Football Team. The Waskom Wildcat Varsity Football Team had a season record of 15-1 and set many school records along the way to a State 3AAA Div. II Championship in the Texas UIL Football Program.

This performance bonus is considered as a reward to our football coaches for the performance of our Waskom Wildcat Varsity Football Team during the 2014 UIL Football Season. This performance bonus is specifically for the 2014 UIL Football Season only. The total cost of this performance bonus to our school district \$23,000.00.
