Building Champions by ensuring ALL students reach high levels of learning academically, behaviorally, and socially.

THE PRINCIPAL'S ADDRESS

Greetings from Samuel Walker Houston Elementary!

As we approach the end of an incredible fall semester at SWHE, I wanted to share some exciting highlights and express my gratitude for our collective efforts this semester.

This semester has been marked by tremendous growth and many positive changes. We welcomed new faces and two additional grade levels to our campus, and despite the challenges, our incredible faculty and staff have risen to the occasion with remarkable adaptability and dedication to students' success.

November was particularly memorable, featuring wonderful events that brought our school community together:

- Our Fall Festival and Book Fair night was a fantastic success.
- The Honor Choir's concert at the Performing Arts Center was OUTSTANDING!
- Our annual Thanksgiving lunch allowed students to share their gratitude with families.
- Our Student Council represented our campus admirably at the recent Board meeting.

Currently, we're in the midst of an exciting campus-wide PBIS Behavior Challenge. Students and teachers are working hard to demonstrate our core expectations of being safe, responsible, and respectful. The competition will conclude on January 24, 2025, with the winning grade level earning a special Winter extravaganza celebration.

Thank you for your continued support and commitment to our students' success. We wish you a Merry Christmas and a Happy New Year! Keep Stinging 'Em Hornets!
