MEMORANDUM TO: Dr. Thomas, Superintendent

Subject: Adjunct Faculty information

The State Board of Education passed an amendment to 19 TACS 129.1 (k)(1). Requirements for Student Attendance for State Funding Purposes allows public school to be considered "in attendance" when participating in off-campus activities with an adjunct staff member of the school district. Section 3 of the Student Attendance handbook states:

- (4-12) The student is participating in an activity which is approved by the local board and is under the direction of a professional staff member of the school district or an adjunct staff member. This adjunct staff member must have a minimum of a bachelor's degree and be eligible for participation in the Teacher Retirement System of Texas.
- (4-13) Student participating in any activity which is not approved by the local school board and/or without certified district personnel supervision are counted absent [see (4-12)]. To qualify for funding purposes, the certified district staff member/adjunct staff member must be accompanying the students as an official of the school district for the specific purpose of supervising the students and must be approved by the school board to supervise the activity. For example, students participating in 4-H activities which are supervised solely by the County Extension Agent are reported present.

This amendment provides local school boards the opportunity to recognize County Extension Agents as adjunct staff members and to count students participating in 4-H/Extension educational activities "in attendance" for Foundation School Program purposes.

BEE County requests adjunct staff member status for the County Extension Agents for the school year 2013-2014. The following faculty is eligible for participation in the Teacher Retirement System of Texas and have a minimum of a bachelor's degree.
