Dr. Denean Adams, Superintendent of Schools
Harvey Public School District 152 Board of Education
16001 Lincoln Avenue
Harvey, IL 60426

Dear Dr. Adams and
Members of the Board of Education,

Please accept this letter as notification of my intent to retire with the school district, and in particular, Maya Angelou Elementary School. I am planning to retire from my position as principal with the Harvey School District 152 effective Friday, June 27, 2014. I have genuinely enjoyed the time I have spent as an educator. I am very happy that I spent the last 26 years of my 33 years as an educator with the Harvey School District 152.

During my years with the Harvey School District 152 I have grown and flourished. I have learned much from the other administrators and staff. I sincerely appreciated your willingness to allow me to incorporate professional development techniques at my assigned schools over the years. I truly believe this approach contributed to Maya Angelou School achieving Average Yearly Progress (A.Y.P.) for several years.

I would like to thank the Board of Education and Administration of Harvey School District 152 for the support provided to me as the Art Teacher, Homebound Instructor, Summer School Teacher, Asst. Summer School Coordinator, Summer School Coordinator, Building Asst., Asst. Principal, and Principal during my tenure with Harvey School District 152. I feel this support has helped me to grow professionally as well as personally. I wish you and the administration all the best in the years to come.

Sincerely,

Samantha McNulty – Moore
