BUS ROUTES—ADVERSE WEATHER CONDITIONS - 2012/2013

In the event of adverse weather conditions, parents are advised to tune in to Radio Stations KRWQ, KAJQ, KLDL, KBOY and TV Stations KOBI (5), KDRV (12), KTVL (10) or the Three Rivers School District Web Page (www.threerivers.k12.or.us) for information on school bus schedules, delays or closures. The district may also send a synovoice message to assist in communication.

Adverse weather conditions leave some roads blocked or unsafe to travel, but school is still being held. Under these circumstances “straight line routes” will be run. If you live on one of the roads the buses cannot travel, you will need to bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.

Straight Line Routes For Applegate School:

B-05 Thompson Creek Road - Pick Up/Drop Off will be at the bottom of Thomson Creek Road

B-06 Missouri Flat, Kubli Road, Slagle Creek, Humbug - Pick up/Drop Off will be where the right & left fork meet

Any student that is in need of a jacket, coat or hoodie should please see Punky in the front office. We have received several new and very gently used items.

Girls Basketball

Practice will begin after winter break for girls basketball. Paul Porter has agreed to come aboard and coach again this year! Girls must have all their paperwork in before the break. This means physicals must be completed. If you have a physical scheduled during the break, the paperwork must be in the first day back at school 1-7-13 in order to practice.

Immunizations:

If you have had your student's shots updated, please bring the records in to Shawn so she can update the school files.

Note From the Principal:

Dear Applegate Families,

As winter quickly approaches and the second trimester begins, the Applegate Cougars are hard at work. First trimester report cards were sent home the week of December 3rd. If you have any questions regarding your child's academic progress, please don't hesitate contacting us.

Our students have been very busy preparing for their annual holiday program. I would like to thank Michelle Stone and the Applegate staff for all of their hard work in putting the show together. Please mark your calendars, our program is Tuesday Dec. 18th at 6:30pm. I look forward to seeing you all there.

I would like to thank all families for your support of our Applegate students. I appreciate all you do.

Wishing you all a safe and joy filled winter break.

Sincerely,

Renee Hults

Principal
