RE: STR Partners Contract Renewal

DATE: April 21, 2020

Summary

At the meeting of May 28, 2019, the board approved the authorization of administration to engage STR for construction drawings related to the five (5) year facility plan. The previous STR contract had a fee schedule attached for years 2013-2018 and was based on AIA 2007 master agreement language. We are updating the STR Partners contract to include the most updated AIA 2017 master agreement language. The fee schedule is not changing from the 2018 rates.

Administration will be seeking a motion that the Board of Education of Oak Park District 97 approve STR Partners, LLC as the district architect and the execution by administration of the related contracts at the May 12, 2020 meeting.
