IV. CAMPUS GOALS AND OBJECTIVES

Floydada Collegiate High School
& Junior High-Performance Objectives 2024-2025

FCJH and FCHS will continue to support instruction with targeted and specific interventions. We will utilize student data to drive instructional decisions and to address gaps in student performance.

Tutorials has been moved inside of the school day. This move was made as a result of schedule changes implemented this year to address attendance and building relationships. The goal of the state is for schools to close achievement gaps at grade level performance. There are also after school tutorials to help address HB 1416 and to ensure those students are fully serviced their 15 or 30 hours of intentional acceleration of specific content.

Teacher Development

The Leadership Team is composed of teachers from each of our tested subject areas and a CTE teacher. Each member of the Leadership Team leads Content PLCs every 3 weeks. There was also a PLC group formed to cover the teachers that were not included in those groups to be sure they meet and grow professionally as well.

Our work with CEN has been intentional tied to

WICOR/CIF strategies in all classes. While in Cohorts we will meet with teachers to assist in disaggregating data and planning for intentional instruction to meet the needs of both struggling and non-struggling students.

All new teachers will be assigned an administrator that assists in developing the new teacher and help align best practices. New teachers meet with an administrator monthly to provide a check in and mentor program.

This year we will continue to offer feedback to teachers on effective planning as well as through our administrative walkthroughs. We are also coaching teachers based on best practices which includes CIF and WICOR. We are also focusing on improving an area of need based on our instructional walkthroughs. We are implementing best practices related to lesson development along with analyzing data. Our focus areas this year are to continue question and collaboration as well as introducing writing to learn.

We received the LASO grant and hired Engage 2 Learn to support our 6-8 Math Teachers with the Blue Bonnett Curriculum. Representatives are onsite monthly to provide support to teachers through PLC, walkthroughs, debriefing, and one on one and small group trainings. Engage 2 Learn representatives also provide administrator and grant facilitator support.

**A B Duncan Elementary Goals and Objectives
2024-2025**

1. AB Duncan will develop compelling and aligned vision, mission, goals and values, explicit behavioral expectations and management system, proactive and responsive student support services, and involved families and community.
2. All students have rigorous learning experiences because the school ensures objective-driven daily lessons, classroom routines, and formative assessments that yield the data necessary for teachers to reflect, adjust, and deliver instruction that meets the needs of each student.
