TO: TEA

RE: Automated Waivers Application

The Texas Education Agency has created an automatic waivers application in the TEASE and TEAL environment on the TEA website to submit automated waivers that can be managed by each individual district. This is a formal request by Denton ISD to submit a waiver using the automatic waiver process for missed instructional days.

The Board must approve the application for a waiver for missed instructional days due to inclement weather.

Denton ISD was closed on:

December 6, 9, 10 and 11, 2013

February 11, 2014

March 3, 2014

Inclement weather days of April 18th and May 23rd were built into the school calendar and will account for two of the missed days. The waiver request is for the four remaining days.

Approved by:

Charles Stafford

President, Denton ISD Board of Trustees

Dr. Jamie Wilson

Superintendent, Denton ISD
