~~(cf. 6145 – Extracurricular and Coextracurricular Activities)~~

Semester credit rules apply to each semester, following the first semester of the ninth grade. All first semester freshmen are immediately eligible for ASAA activities during the first semester.

A grade of incomplete is considered as not passing until the incomplete is changed on the official school records. Academic deficiencies may be made up through successful completion of correspondence courses or summer school. Correspondence study students must meet the same time frame as regular students.

A student expelled from a school is not eligible to participate in the interscholastic competition at another school during the period of expulsion.
