

Independent School District No. 51
FOLEY HIGH SCHOOL

"Developing the Full Potential of the Individual"

Joel Foss, Principal

FHS Board Report

Homecoming

Homecoming week was a success. Students and Staff participated in a variety of dress up days and many different activities. We had Coronation on the Friday before Homecoming week, then many fall activities had home events, including Volleyball, Tennis, Swim and Dive, Cross Country and Football. It was a great week to be able to see all our activities in action. The Penn Street Singers sang the Anthem and the band also marched at half time of game.

MHS

The Foley Chapter of the MHS inducted 23 juniors and 8 seniors last night. This brings the total enrollment to 59 current members. They will have some of their big activities in the next couple of months including their Halloween food drive and breakfast with Santa. These students also volunteer as peer tutors in our afterschool program.

PSAT

This past Tuesday 8 of our Juniors chose to take the PSAT. The PSAT is the test used to determine Merit Scholars. To be a Merit Scholar you need to score in the top one half of one percent of all the students that take the test.

Conferences

First trimester conferences are happening Monday and Tuesday Oct. 14th and 15th along with Nov. 6th. Parents have been notified and encouraged to come in and visit with teachers. This is a great chance to connect with teachers as the year gets started.
