# Student Information System Transition

- Much work is underway behind the scenes
- Technology Team is focused on system migration
- Planning for Training and Professional Development
- Transition will impact historical practices and timelines associated with student scheduling and registration

# Strategic Plan: Enrollment and Staffing Middle School

- 'Right-sizing' staffing through attrition continues.
- 25-26: No formal 'Teams' designation for 6<sup>th</sup> grade, students and parents are not feeling much of a difference
- 26-27: No formal 'Teams' designation for all grades, limited anticipated impact for students
- 26-27: Formal Transition to Semesters at Middle School
- More work to come with updates forthcoming
