BACKGROUND INFORMATION:

The District Educational Improvement Committee (DEIC) and the District Task Force met to review the District Improvement Plan and provide feedback on the steps necessary to continually improve Beeville ISD. The Campus Instructional Leadership Teams (CILT) and campus leaders also met to review and refine campus improvement plans specifically reflecting on demographics, school processes, perceptions, and student academic achievement. The District Improvement Plan (DIP) and Campus Improvement Plans (CIP) for 2021-2022 including goals, performance objectives, and strategies were developed.

This year BISD used a new platform, Plan4Learning, which allows for a deeper plan of action and accountability process to measure our performance as a system.
