Re: Technology Bond Update

We would like an opportunity to share with the Board of Education an update on the technology related projects associated with the 2013 Bond that have been completed to date and the status of further projects. Please add this request to the agenda of the Monday, April 10, 2017 Board of Education Meeting.

Matt Linder, Plante Moran CRESA; Rob Greagor, Barton Malow; and Tim Klan, Administrator of Information and Instructional Technology, will update the Board on our Technology Bond.
