Greatest Needs for Programming				
(Rank Order 1-18)				
2011	2012	2013		
Training and support for behavior management	Training and support for behavior management			
interventions and programs	interventions and programs	Programs that support parent education		
Programs that support parent education	Enhanced instruction through technology	Training and support for behavior management interventions and programs		
Wrap around services	Information on new trends, issues, legislation, and legal information relative to special education	Enhanced instruction through technology		
Enhanced instruction through technology	Trainings and support for problem solving and Rtl	Information on new trends, issues, legislation, and legal information relative to special education		
A continum of services	Wrap around services	Wrap around services		
Trainings and support for problem solving and Rtl	Programs that support parent education	Integrated services including speech/language, psychological, vision, hearing, social work, occupational therapy, physical therapy		
Information on new trends, issues, legislation, and legal information relative to special education	Specialized curriculum such as adapted academics, therapeutic, community based and or instructional technology	Specialized curriculum such as adapted academics, therapeutic, community based and or instructional technology		
Specialized curriculum such as adapted academics,				
therapeutic, community based and or instructional technology	Specialized materials and equipment	A continum of services		
	- Francisco de la companya de la com			
Coordination of community networks as identified in the schools transition process	Diagnostic Services	Diagnostic Services		
Specialized materials and equipment	A continum of services	Trainings and support for problem solving and RtI		
Consultative and or technical assistance services to teachers from direct one to one services to services on a group basis	Consultative and or technical assistance services to teachers from direct one to one services to services on a group basis	Consultative and or technical assistance services to teachers from direct one to one services to services on a group basis		
Diagnostic Services	Coordination of community networks as identified in the schools transition process	Coordination of community networks as identified in the schools transition process		
Specialized outside evaluation	Integrated services including speech/language, psychological, vision, hearing, social work, occupational therapy, physical therapy	Specialized materials and equipment		
Integrated services including speech/language, psychological, vision, hearing, social work, occupational therapy, physical therapy	Services of specialized nature (feeding, augmentative communication, etc.)	Services of specialized nature (feeding, augmentative communication, etc.)		
Services of specialized nature (feeding, augmentative communication, etc.)	Career education and vocational training programs	Career education and vocational training programs		
Nurses, health plans and consultations	Specialized outside evaluation	Specialized outside evaluation		
Diversified preschool program for children 3-5	Diversified preschool program for children 3-5	Diversified preschool program for children 3-5		
Career education and vocational training programs	Nurses, health plans and consultations	Nurses, health plans and consultations		

GREATEST NEEDS FOR PROGRAMMING R = 213 R = 211 (from 2011 to 2012) A continum of services 71.7 43.3 -28.4 Career education and vocational training programs 42.7 26.7 -16.0 Consultative and or technical assistance services to teachers from direct one to one services on a group basis Coordination of community networks as identified in the schools transition process Diagnostic Services 63.0 38.4 -24.6 Diversified preschool program for children 3-5 44.2 Information on new trends, issues, legislation, and legal information relative to special education Integrated services including speech/language, psychological, vision, hearing, social work, occupational therapy, physical therapy Nurses, health plans and consultations 46.2 Thormation on the support parent education 77.7 56.0 -21.7 Services of specialized nature (feeding, augmentative communication, etc.) Specialized curriculum such as adapted academics, therapeutic, community based and or instructional technology 63.6 -17.9 Specialized materials and equipment 63.6 39.8 -23.8
