Illinois State Scholars

Congratulations to the seniors who have been recognized and selected by the Illinois Student Assistance Commission as Illinois State Scholars! The Illinois State Scholar Program identifies those high school seniors who possess superior academic potential. Students are named State Scholars on the basis of their ACT or SAT scores and GPA or class rank at the end of their junior year. Each student named a State Scholar receives a Certificate of Merit from the Illinois Student Assistance Commission. Besides receiving statewide recognition from the various news media in the state, the names of the State Scholars are given by the Commission to the colleges and universities in Illinois. The distinct honor of being named a State Scholar is further highlighted by the fact that many colleges and universities actively seek the State Scholar for admission. Please join me in congratulating the following seniors:

Richard Arechar, Sydney Buchelt, Avery Collins, Chloe Hrabrich, Lukas Nagler, Shiv Patel, Fiona Pellicano, Michal Rachwal, Cecilia Roth, Alexander Sageman, James Saxman, Ryan Sims, Brandon Su, Piper Waggoner, and Angela Wang.

Winter Activities and Athletics

Lisle High School successfully hosted the Lisle Cage Classic Holiday Tournament for girls' basketball while our boys' basketball participated in the Plano Holiday Tournament during Winter Break. Our other winter teams are also in full swing with our wrestling team competing at Melichar Wrestling Invitational, and our bowling Math, DECA and Scholastic Bowl teams all in competition season.
