

Action Item

Date: August 4, 2025

Division: Student Services

Subject: Hazardous route addition for 2025-2026

Background Information:

- Each year, Student Services brings forth a series of areas that fall within a hazardous location for students to walk to their assigned campus.

Administrative Consideration:

- LISD Administration considers all areas that could be impacted by hazardous routes and how this adds to or removes transportation routes

Recommendations:

- Student Services recommends the board approve this addition of a hazardous route for Memorial elementary, Griffin Middle School and The Colony High School.
