Re: Approval of new contract for athletic training services

Background Information

For FY24 we signed a one-year agreement with Genesis Health System d/b/a Genesis Outpatient Rehabilitation Services (Genesis) for athletic training services. There was a one-year renewal of that contract for FY25 with no price increase. Genesis is currently offering another one-year contract with no price increase for July 1, 2025 through June 30, 2026.

Administrative Considerations

The contract rate will remain unchanged at \$35,000 per year plus \$35 per hour in excess of 1,040.

Options Considered

Prior to the FY24 agreement, Mr. Pustelnik contacted other area providers and was unsuccessful in obtaining a replacement or finding a better price. Due to the continuing shortage of athletic trainers, we find it most efficient to extend the agreement with Genesis for another year.

Recommendation

We recommend the Board approve the contract with Genesis Health System d/b/a Genesis Outpatient Rehabilitation Services for athletic training services for the 2025-2026 school year.
