

CONSIDERATION OF APPROVAL OF LOCAL TEACHING PERMITS FOR TWO COURSES BEING TAUGHT AT THE HIGH SCHOOL

Action Item:

This agenda item should allow for the consideration/approval of local teaching permits for two courses being taught at the high school:

- Lifetime Nutrition and Wellness – Mr. Kenneth Simmons has agreed to teach this course
- Child Development – Ms. Jade Strother has agreed to teach this course

TEA allows for some courses to be taught by people who do not hold traditional teacher certification through the approval of “local teaching permits”.

Dr. Lynn Phillips should be at the meeting to answer questions, as needed.

Superintendent’s Recommendation:

I recommend the Board approve the local teaching permits for Kenneth Simmons and Jade Strother, as presented.

Suggested Motion:

I move to approve the local teaching permit for Kenneth Simmons and Jade Strother, as presented.
