PACE is currently focused on meeting the demand of enrolling families. The team is busy creating student learning plans, ordering materials, and checking out technology to families. August and September are typically our busiest enrollment months and so far, we are continuing that trend.

PACE Outreach

Advertising continues on multiple platforms, including Facebook, YouTube, and Google AdWords. Google searches and Facebook are our most consistently successful methods of advertising at this time.

All staff are working full-time in our Learning Centers and offering appointments in-person, by video, and by phone to meet the needs of all families. Activities for the fall are already being planned.

PACE Staffing

PACE has had staffing changes between the 2021-22 and 2022-23 school years. As you know, Mollie Harings moved out of state with her family in June. Christina Woodward took over for Mollie beginning July 1. Additionally, ALC Contact Teacher Anna Breuninger did not return for the 22-23 school year.

In the past, we have hired temporary assistants in the fall to help with ordering during our busy time. As PACE enrollment has increased, so has our need for additional help over the course of the year, not just in the fall. As a result, we have hired a part-time Admin Assistant in Craig to help with purchasing, scheduling, and family outreach. Welcome to Tammy Lewis!

School Improvement

PACE uses our A3 goals to guide our work for the year; a large focus of the 22-23 school year continues to be how we serve our at-risk students and families. Simultaneously we're working on curriculum browser updates and ensuring our website is up-to-date and easily accessible to both current and potential families.

The first PACE inservice of the year will be in early November.

Appreciations

Thanks to all CCSD for their support as we transition leadership!
