Regular Meeting - Board of Education

Date: November 17, 2016

Agenda Item #9. B.

TOPIC: Family and Consumer Science Review

BACKGROUND: The Family and Consumer science Department at the High School and Middle School have been through a Curriculum review. Maxine Peterson from the Department of Minnesota attended our first review meeting and gave us suggestions for making our program more viable and in line with the current frameworks (standards) for Family and Consumer Science. We surveyed classes and community to help decide the direction we would like to take our department.

PURPOSE OF PRESENTATION: The purpose of this presentation is to provide the Board and community with an overview of the changes that we have made to our curriculum and highlight areas that the students/community felt we needed to keep.

LEARNING OBJECTIVE: As a result of this presentation, the Board will have an understanding of Financial Literary, career exploration and the importance of continuing instruction of Life Skills in The Family and Consumer Science department.

ACTION RECOMMENDED: Is this item for Approval or Discussion Only.
