Congratulations to Matthew Randall for winning \$100 from Zion’s bank and their Pays for A’s program.

Semester Final Exams

This year we included all 6th grade students in taking final exams and overall they seemed to do well.

Final semester grades looked very good too. A total of 12 students in the building failed a class first semester. Only two of those students were with us the entire semester. The remaining 10 students failed because they missed 20 + days of school or transferred in with low grades very late in the semester.

I am very proud of all our teachers for making sure all students complete their assignments and work until they prove mastery of concepts. I believe these efforts will help us meet our ISAT goals.
