We are requesting the Neah-Kah-Nie School Board approve the Co-op application for Boys Swimming with the Tillamook School District. We have a current Co-op agreement with Tillamook for Girls Swimming, and have had an active swimmer the past 2 years. This year, we do not have any girls swimming, but have a Freshman boy interested in swimming. This application, as well as the current girls agreement, will expire at the end of this school year. This will be due to the next classification cycle beginning next school year. Should we need a Swim Co-Op next year, we will need to reapply.

The financial impact for the district is minimal, as the only additional impact will be transporting the student to Tillamook on race days in Tillamook, or if their bus does not pass NKN HS on the way to the event. This is anticipated to be 6 times in total.

Our hope is that with the new pool at NCRD, we may be able to begin our own swim program here at Neah-Kah-Nie HS.

Thank you for your continued support!

Thank you,

Ryan Keefauver
