Re: 2014-2015 School Calendar

2014-2015 School Calendar:

Because of the need to use both designated bad weather days, CISD is requesting to make a change regarding the second designated day. We are asking to move the official weather day from June 5 which is an early release day to June 3 which is a regular school day. This move will enable CISD to remain compliant with TEA's requirement of using a 7 hour day as a make-up day for bad weather.

RECOMMENDATION: That the Coppel ISD Board of Trustees approve the weather day make up from June 5 to June 3, 2015.
