

# Board of Education Information

**To:** Board of Education  
**From:** Matt Rich  
**Date:** May 8, 2025  
**Re:** Approve SASSED Lease

---

## **Recommendation:**

It is the recommendation of the Superintendent to approve the lease of 9 classrooms and an office space at Winfield Primary and 1 classroom at Winfield Central for \$242,000 for the 2025-26 school year as presented.

## **Background Information:**

SASSED is requesting to increase their rental of instructional spaces for their Structured Learning Environment program for the 2025-26 school year. This is the program we currently support. They will be increasing from 4 to 10 classrooms, although it looks like 9 actual classes. This will involve all of the classrooms on the east side of Winfield Primary and the currently used classroom at Winfield Central. SASSED has adjusted the first page of the lease to recognize that Winfield 34 will be providing 1 teacher desk, 1 teacher chair, and the video projection system for each classroom. SASSED will be providing the remainder of the furnishings.
