

Executive Summary

Prepared for Board of Trustees Meeting

September 10, 2019

Brightbytes Survey Results

Board Goal:

- Incorporate best practices into teaching, learning, technology and leadership
- Foster and support an advanced digital learning environment
- Remain committed to providing equitable and outstanding opportunities for every student on every campus

Purpose of Report

Provide the board of trustees with an overview of the 2018-2019 Brightbytes technology survey and share how the digital learning department plans to address the results in pursuit of our department goal.

Objectives

- Inform the board of the overall health of technology integration in Denton ISD classrooms, as evaluated by the Brightbytes survey.
- Share the digital learning department's plans for continued growth in certain areas of the survey, as well as areas that require additional focus.

Operational Impact

Brightbytes is free through the Region 11 service center.

Results

Use data from the BrightBytes survey to inform decisions regarding technology professional development within the district, gauge home and school technology access for students and teachers and prescribe methods through which effective technology integration can be encouraged within classrooms in Denton ISD.
