

Board of Trustees Agenda Item

Staff Member Name:

Pamela Linton

Department:

Human Resources

Board Meeting Date:

March 10, 2025

Agenda Heading:

Discussion regarding Team Focus - Teacher Recognition

Item Type: Informational Item

Background Information:

In 2022, a group of teachers voluntarily participated in stay-interview sessions to provide feedback regarding what they loved about Frisco ISD, why they stay, and suggestions for consideration. During the sessions, teachers consistently shared their enjoyment of the opportunity to build relationships with peers across the District and their desire to continue this collaboration. Because of their valued feedback, HR, under the leadership of Managing Director, Dr. Jennifer Worth, began facilitating monthly meetings for the teachers to connect and provide feedback on various topics relating to employee engagement and retention. Thus, Team Focus was created.

This year, Team Focus is comprised of 246 teachers. Tonight, we would like to acknowledge and honor the contributions of these dedicated educators. Dr. Worth and representatives from Team Focus are in attendance.

Amount (when applicable): N/A.

Recommendation:

We recommend a motion to .
