Motion: Move to approve request move to new building for 6-8th grades.			
Panel Member	Vote		Reason/Comment
Phillip Baldwin	TRUE	For	I support the addition of a new campus located at 6300 Hickson Road in Little Rock, the former Coverdale School. The additional campus facilitates the needed expansion of educational services including future high school grade levels. The demand and student need of these services is strong and has good community support.
