Dear Members of The Nobility Project and Esteemed Supporters,

I am writing to express our heartfelt gratitude for your pivotal role in the development of the students and staff of Morales Junior High. Your generous \$10,000 fund will significantly support our campus program, Bay Talks, which is instrumental in fostering Social-Emotional Learning, Character Education, Goal Setting, and numerous other developmental topics for our students.

Morales Junior High serves diverse students from 6th to 8th grade. This age range greatly benefits from targeted encouragement and discussions about healthy lifestyle choices and successful self-management. Bay Talks, which are grade-level specific and held in the cafeteria, provide a crucial platform for these essential conversations. Your donation will enable us to enhance this program through the integration of advanced technology, specifically a ViewSonic 98" 4K Touch Enabled ViewBoard Smart Display with WiFi Adapter, Trolley Cart, 4K Wide-Angle Conference Camera with Pan/Tilt/Zoom, and an internal PC model. These technological enhancements will revolutionize our Bay Talks by allowing dynamic presentations and virtual guest speakers, as well as an overall enriched experience for our students.

Once again, thank you for your profound generosity. The support from The Nobility Project and its supporters is invaluable in helping us equip our students with the knowledge and skills they need to thrive. Your investment in our future leaders is deeply appreciated and will have a lasting impact on our entire school community. We are committed to ensuring that your contribution is used to its fullest potential for the benefit of our students.

With sincere appreciation,

Anne Marie Espinoza
